August 27, 1981

Mr. William Burrus General Executive Vice President American Postal Workers Union, AFL-CIO 817 14th Street, NW Washington, DC 20005

## Re: Article VIII, Section 4.F.

This is in response to your request for clarification of the recently negotiated contract provision dealing with the restriction that employees may not be required to work more than five consecutive days of overtime in a week.

Please be advised it is the position of the Postal Service that the beginning or conclusion of an employee's workweek will not be used as an artificial barrier to require an employee to work overtime beyond the five consecutive day limitation.

Our field managers will be advised of this interpretation.

Sincerely,

ma.

Thomas J. Fritsch General Manager Grievance Division Office of Grievance and Arbitration Labor Relations Department
