RE: Article 1, Section 6 Cases
Appealed To Arbitration

I have been advised by local and state officers that management is using Step 4 denials of Article 1, Section 6 supervisors performing bargaining unit work as an understanding between the parties at the National level. Let me assure you that I have appealed all of Article 1, Section 6 denials to arbitration.

All locals should be advised that I am still reviewing cases under the Snow Award; however, they should continue to grieve these issues I have appealed to arbitration listed below and attached.

<u>Case #</u>	<u>Denied</u>	<u>Appealed</u>	<u>Issue</u>
H4C-4C-C-25297 St. Paul, MN	12/5/90	12/6/90	EAS 15 Position
H1C-5G-C-20220/ H1C-5G-C-20222 Van Nuys, CA	1/9/91	1/15/91	Bulk Mail Verifica- tion
H4C-4K-C-9054 Des Moines, IA	1/9/91	1/15/91	Accounting & Production Functions
H4C-4C-C-7612 St. Paul, MN	1/9/91	1/15/91	Personnel Duties Performed by EAS

H1C-4J-C-33632 Racine, WI	1/9/91	1/15/91	Accounting Technician Duties
H1C-5K-C-28116 Las Vegas, NV	10/3/91	10/3/91	Lobby Sweep
H7C-4H-C-24904/ 84 other cases	10/8/91	10/9/91	Supervisor may person- ally per- form non Supervisory Task

You should be made aware that prior to Snow's Award we had accepted Supervisors performing limited lobby sweeps duties and I have signed two Step 4 decisions based on that position. However, Article 1, Section 6 Task Force review of Snow's award agreed that his decision gave us the right to all lobby sweep functions. Therefore, all cases where management maintains the right to perform Lobby Sweeps will be appealed to arbitration until we receive a decision.

Sincerely,

Thomas L. Thompson
