Re: 1984-1987 National Agreement

Dear Brothers and Sisters:

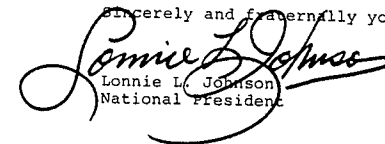

We are pleased to present you with your copy of the 1984-1987 National Agreement negotiated by the National Post Office Mail Handlers Union with the United States Postal Service.

This Agreement has been achieved after many months of deliberation and submission to an impartial panel of arbitrators designated by the Federal Mediation and Conciliation Service. It represents the untiring work of the National Negotiating Committee, your Local Union officers and staff personnel, and the generous support of individual members of this Union.

It is important that you read this Agreement carefully as its provisions govern the wages, hours and conditions of employment in your service with the USPS. As you spend a considerable amount of your time on the workroom floor, the importance of this document to your everyday life cannot be overstated. If you have any questions regarding this Agreement, please do not hesitate to obtain answers from your Local Union officers and shop stewards.

Finally, please remember that you are the heart and soul of this labor agreement. You must be ever vigilant to assure that its terms are enforced.

Sincerely and fraternally yours,

Lonnie L. Johnson
National President

NOTE

The provisions of the 1984-1987 Mail Handlers National Agreement were determined by a final and binding arbitration award issued pursuant to Section 1207(c) of the Postal Reorganization Act. The award incorporated certain Articles on which the parties had reached tentative agreement, as well as Articles which were in dispute and resolved by the arbitration proceeding.

PREAMBLE

This Agreement (referred to as the 1984 "Mail Handlers National Agreement") is entered into by and between the United States Postal Service (hereinafter referred to as the "Employer") and the National Post Office Mail Handlers, Watchmen, Messengers and Group Leaders Division of the Laborers' International Union of North America, AFL-CIO (hereinafter referred to as the "Union"), pursuant to an arbitration award issued **January 7, 1985**. In accordance with the terms of the award the agreement is effective as of the date of the award, unless otherwise provided, and except for certain provisions of Articles **9 and 26**, which were effective retroactively to **July 21, 1984**.

ARTICLE 1 UNION RECOGNITION

Section 1.1 Recognition

The Employer recognizes the Union designated below as the exclusive bargaining representative of all employees in the bargaining unit for which the Union has been recognized and certified at the national level:

National Post Office Mail Handlers, Watchmen, Messengers and Group Leaders Division of the Laborers' International Union of North America, AFL-CIO-Mail Handlers.

Section 1.2 Exclusions

The bargaining unit set forth in Section 1 above does not include, and this Agreement does not apply to:

- A Managerial and supervisory personnel;
- B Professional employees;
- C Employees engaged in personnel work in other than a purely non-confidential clerical capacity;
- D Security guards as defined in Public Law 91-375, 1201(2);
- E All Postal Inspection Service employees;
- F Employees in the supplemental work force as defined in Article 7;
- G Rural Letter Carriers;
- H City Letter Carriers;
- I Maintenance Employees;

- J Special Delivery Messengers;
- K Motor Vehicle Employees;
- L Postal Clerks;
- M Mail Equipment Shop employees; or
- N Mail Bag Depository and Supply Center employees.

Section 1.3 Facility Exclusions

This Agreement does not apply to employees who work in other employer facilities which are not engaged in customer services and mail processing; previously understood and expressed by the parties to mean mail processing and delivery, including but not limited to Headquarters, Regional Offices, Postal Data Centers, Postal Service Training and Development Institute, Oklahoma Postal Training Operations, Postal Academies, Postal Academy Training Institute, Stamped Envelope Agency, Supply Centers, Mail Equipment Shops, or Mail Bag Depositories and Repair Centers.

Section 1.4 Definition

Subject to the foregoing sections, this Agreement shall be applicable to all employees in the regular work force of the U.S. Postal Service, as defined in Article 7, at all present and subsequently acquired installations, facilities, and operations of the Employer, wherever located.

Section 1.5 New Positions

A Each newly created position shall be assigned by the Employer to the national craft unit most appropriate for such position within thirty (30) days after its creation. Before such assignment of each new position the Employer shall consult with the Union for the purpose of assigning the new position to the national craft unit most appropriate for such position. The following criteria shall be used in making this determination:

- A1 existing work assignment practices;
- A2 manpower costs;
- A3 avoidance of duplication of effort and "make work" assignments;
- A4 effective utilization of manpower, including the Postal Service's need to assign employees across craft lines on a temporary basis;
- A5 the integral nature of all duties which comprise a normal duty assignment;

A6 the contractual and legal obligations and requirements of the parties.

B The Union shall be notified promptly by the Employer regarding assignments made under this provision. Should the Union dispute the assignment of the new position within thirty (30) days from the date the Union has received notification of the assignment of the position, the dispute shall be subject to the provisions of the grievance and arbitration procedure provided for herein.

Section 1.6 Performance of Bargaining Unit Work

A Supervisors are prohibited from performing bargaining unit work at post offices with 100 or more bargaining unit employees, except:

- A1 in an emergency;
- A2 for the purpose of training or instruction of employees;
- A3 to assure the proper operation of equipment;
- A4 to protect the safety of employees; or
- A5 to protect the property of the USPS.

B In offices with less than 100 bargaining unit employees, supervisors are prohibited from performing bargaining unit work except as enumerated in Section 6A1 through 5 above or when the duties are included in the supervisor's position description.

ARTICLE 2

NON-DISCRIMINATION AND CIVIL RIGHTS

Section 2.1 Statement of Principles

The Employer and the Union agree that there shall be no discrimination by the Employer or the Union against employees because of race, color, creed, religion, national origin, sex, age, or marital status. **In addition, consistent with the other provisions of this Agreement, there shall be no unlawful discrimination against handicapped employees, as prohibited by the Rehabilitation Act.**

Section 2.2 Committee

Non-Discrimination and Civil Rights are proper subjects for discussion at Labor-Management Committee meetings at the national and regional levels provided in Article 38.

Section 2.3 Grievances

Grievances arising under this Article may be filed at Step 2 of the grievance procedure within fourteen (14) days of when the employee or the Union has first learned or may reasonably have been expected to have learned of the alleged discrimination, unless filed directly at the national level, in which case the provisions of this Agreement for initiating grievances at that level shall apply.

ARTICLE 3

MANAGEMENT RIGHTS

The Employer shall have the exclusive right, subject to the provisions of this Agreement and consistent with applicable laws and regulations:

- 3.1 To direct employees of the Employer in the performance of official duties;
- 3.2 To hire, promote, transfer, assign, and retain employees in positions within the Postal Service and to suspend, demote, discharge, or take other disciplinary action against such employees;
- 3.3 To maintain the efficiency of the operations entrusted to it;
- 3.4 To determine the methods, means, and personnel by which such operations are to be conducted;
- 3.5 To prescribe a uniform dress to be worn by designated employees; and
- 3.6 To take whatever actions may be necessary to carry out its mission in emergency situations, i.e., an unforeseen circumstance or a combination of circumstances which calls for immediate action in a situation which is not expected to be of a recurring nature.

ARTICLE 4

TECHNOLOGICAL AND MECHANIZATION CHANGES

Both parties recognize the need for improvement of mail service.

Section 4.1 Advance Notice

The Union at the national level will be informed as far in advance as practicable, but no less than 30 days in advance, of implementa-

tion of technological or mechanization changes which affect, including new or changed jobs in the area of wages, hours or working conditions. When major new mechanization or equipment is to be purchased and installed, the Union at the national level will be informed as far in advance as practicable, but no less than 90 days in advance.

Section 4.2 Committee

There shall be established at the national level a Joint Technological and Mechanization Changes Committee composed of an equal number of representatives of management and the union. The Committee shall meet semiannually to discuss any issues concerning proposed technological and mechanization changes which may affect jobs, including new or changed jobs, which affect the wages, hours, or working conditions of the bargaining unit. For example, the Postal Service will keep the Union advised concerning any research and development programs (e.g., study on robotics) which may have an effect on the bargaining unit.

In addition, the Committee shall be informed of any new jobs created by technological or mechanization changes. Where present employees are capable of being trained to perform the new or changed jobs, the Committee will discuss the training opportunities and programs which will be available. These discussions may include the availability of training opportunities for self-development beyond the new or changed jobs.

Section 4.3 Resolution of Differences

Upon receiving notice of the changes, an attempt shall be made at the national level to resolve any questions as to the impact of the proposed change upon affected employees and if such questions are not resolved within a reasonable time after such change or changes are operational, the unresolved questions may be submitted by the Union to arbitration under the grievance-arbitration procedure. Any arbitration arising under this Article will be given priority in scheduling.

Section 4.4 New Jobs

Any new job or jobs created by technological or mechanization changes shall be offered to present employees capable of being trained to perform the new or changed job and the Employer will provide such training. During training, the employee will maintain his/her rate. It is understood that the training herein referred to is on the job and not to exceed sixty (60) days. Certain specialized technical jobs may require additional and off-site training.

An employee whose job is eliminated, if any, and who cannot be placed in a job of equal grade shall receive rate protection until such time as that employee fails to bid or apply for a position in the employee's former wage level.

The obligation hereinabove set forth shall not be construed to, in any way, abridge the right of the Employer to make such changes.

ARTICLE 5

PROHIBITION OF UNILATERAL ACTION

The Employer will not take any actions affecting wages, hours and other terms and conditions of employment as defined in Section 8(d) of the National Labor Relations Act which violate the terms of this Agreement or are otherwise inconsistent with its obligations under law.

ARTICLE 6

LAYOFF AND REDUCTION IN FORCE

Section 6.1 General Principles

- A Each employee who is employed in the regular work force as of the date of the Award of Arbitrator James J. Healy, September 15, 1978, shall be protected henceforth against any involuntary layoff or force reduction.
 - A1 It is the intent of this provision to provide security to each such employee during his or her work lifetime.
 - A2 Members of the regular work force, as defined in Article 7 of the Agreement, include full-time regulars, part-time employees assigned to regular schedules and part-time employees assigned to flexible schedules.
- B Employees who become members of the regular work force after the date of this Award, September 15, 1978, shall be provided the same protection afforded under .1A1 above on completion of six years of continuous service and having worked in at least 20 pay periods during each of the six years.
- C With respect to employees hired into the regular work force after the date of this Award and who have not acquired the protection provided under .1B above, the Em-

ployer shall have the right to effect layoffs for lack of work or for other legitimate reasons. This right may be exercised in lieu of reassigning employees under the provisions of Article 12, except as such right may be modified by agreement. Should the exercise of the employer's right to lay off employees require the application of the provisions of Chapter 35 of Title 5, United States Code, employees covered by that Chapter with less than three years of continuous civilian federal service will be treated as "career conditional" employees.

The Employer's right as established in this section shall be effective July 20, 1979.

The following terms as to the employees' and employer's rights and the rules and procedures to be followed in the implementation of Article 6 are a part of the September 15, 1978 Final Resolution and shall be final and binding upon the parties:

Section 6.2 Coverage

- A Employees Protected Against Any Involuntary Layoff or Force Reduction

Those employees who occupy full-time, part-time regular or part-time flexible positions in the regular work force (as defined in Article 7) on September 15, 1978, are protected against layoff and reduction in force during any period of employment in the regular work force with the United States Postal Service or successor organization in his or her lifetime. Such employees are referred to as "protected employees."

Other employees achieve protected status under the provisions of .1C above.
- B Employees Subject to Involuntary Layoff or Force Reduction

Except as provided in .1A1-3 and .1C, all employees who enter the regular work force, whether by hire, transfer, demotion, reassignment, reinstatement, and reemployment on or after September 16, 1978, are subject to layoff or force reduction and are referred to as "non-protected employees."
- C Non-Protected Employees Achieving Protected Status
 - C1 A non-protected employee achieves protected status upon completion of six years of continuous service in their regular work force. The service requirement is computed from the first day of the pay period in

which the employee enters the regular work force. To receive credit for the year, the employee must work at least one hour or receive a call-in guarantee in lieu of work in at least 20 of the 26 pay periods during that anniversary year.

Absence from actual duty for any of the following reasons will be considered as "work" solely for the purposes of this requirement:

- C1a To the extent required by law, court leave, time spent in military service covered by Chapter 43 of Title 38, or time spent on continuation of pay, leave without pay or on OWCP rolls because of compensable injury on duty.
- C1b Time spent on paid annual leave or sick leave, as provided for in Article 10 of the Agreement.
- C1c Leave without pay for performing Union business as provided for in Article 24 of the Agreement.
- C1d All other unpaid leave and periods of suspension or time spent in layoff or RIF status will not be considered work. Failure to meet the 20 pay period requirement in any given anniversary year means the employee must begin a new six year continuous service period to achieve protected status.
- C2 Temporary details outside of the regular work force in which the employee's position of record remains in the regular work force count toward fulfilling the 20 pay periods of work requirement per year.
- C3 If a non-protected employee leaves the regular work force for a position outside the Postal Service and remains there more than 30 calendar days, upon return the employee begins a new service period for purposes of attaining six years continuous service.
- C4 If a non-protected employee leaves the regular work force and returns within two years from a position within the Postal Service the employee will receive credit for previously completed full anniversary years, for purposes of attaining the six years continuous service.

Section 6.3 Preconditions for Implementation of Layoff and Reduction in Force

- A The Union shall be notified at the Regional level no less than 90 days in advance of any layoff or reduction in force that an excess of employees exists or will exist at an installation and that a layoff and reduction in force may be necessary. The Employer will explain to the Union the basis for its conclusion that legitimate business reasons require the excessing and possible separation of employees.
- B No employee shall be reassigned under this Article or laid off or reduced in force unless and until that employee has been notified at least 60 days in advance that he or she may be affected by one or the other of these actions.
- C The maximum number of excess employees within an installation shall be determined by seniority unit within each category of employees (full-time, part-time regular, part-time flexible). This number determined by the Employer will be given to the Union at the time of the 90-day notice.
- D Before implementation of reassignment under this Article or, if necessary, layoff and reduction in force of excess employees within the installation, the Employer will, to the fullest extent possible, separate all casuals within the craft and minimize the amount of overtime work and part-time flexible hours in the positions or groups of positions covered by the seniority unit as defined in this Agreement or as agreed to by the parties. In addition, the Employer shall solicit volunteers from among employees in the same craft within the installation to terminate their employment with the Employer. Employees who elect to terminate their employment will receive a lump sum severance payment in the amount provided by Part 435 of the Employee and Labor Relations Manual, will receive benefit coverage to the extent provided by such Manual, and, if eligible, will be given the early retirement benefits provided by Section 8336(d)(2) of Title 5, United States Code and the regulations implementing that statute.
- E No less than 20 days prior to effecting a layoff, the Employer will post a list of all vacancies in other seniority units and crafts at the same or lower level which exist within the installation and within the commuting area of the losing installation. Employees in an affected seniority unit may, within 10 days after the posting, request a reassignment under this Article to a posted vacancy. Qualified employees will be assigned to such vacancies on the basis

of seniority. If a senior non-preference eligible employee within the seniority unit indicates no interest in an available reassignment, then such employee becomes exposed to layoff. A preference eligible employee within the seniority unit shall be required to accept such a reassignment to a vacancy in the same level at the installation, or, if none exists at the installation, to a vacancy in the same level at an installation within the commuting area of the losing installation.

If the reassignment is to a different craft, the employee's seniority in the new craft shall be established in accordance with the applicable seniority provisions of the new craft.

Section 6.4 Layoff and Reduction in Force

A Definition

The term "layoff" as used herein refers to the separation of non-protected, non-preference eligible employees in the regular work force because of lack of work or other legitimate, nondisciplinary reasons. The term "reduction in force" as used herein refers to the separation or reduction in the grade of a non-protected veterans preference eligible in the regular work force because of lack of work or other legitimate non-disciplinary reasons.

B Order of Layoff

If an excess of employees exists at an installation after satisfaction of the preconditions set forth in Section 6.2 above, the Employer may lay off employees within their respective seniority units in inverse order of seniority as defined in the Agreement.

C Seniority Units for Purposes of Layoff

Seniority units within the categories of full-time regular, part-time regular, and part-time flexible, will consist of all non-protected persons at a given level within an established craft at an installation unless the parties agree otherwise. It is the intent to provide the broadest possible unit consistent with the equities of senior non-protected employees and with the efficient operation of the installation.

D Union Representation

Chief stewards and union stewards whose responsibilities bear a direct relationship to the effective and efficient representation of bargaining unit employees shall be placed at

the top of the seniority unit roster in the order of their relative craft seniority for the purposes of layoff, reduction in force, and recall.

E Reduction in Force

If an excess of employees exists at an installation after satisfaction of the preconditions set forth in Section 6.2 above and after the layoff procedure has been applied, the Employer may implement a reduction in force as defined above. Such reduction will be conducted in accordance with statutory and regulatory requirements that prevail at the time the force reduction is effected. Should applicable law and regulations require that other nonprotected, non-preference eligible employees from other seniority units be laid off prior to reduction in force, such employees will be laid off in inverse order of their craft seniority in the seniority unit.

In determining competitive levels and competitive areas applicable in a force reduction, the Employer will submit its proposal to the Union at least 30 days prior to the reduction. The Union will be afforded a full opportunity to make suggested revisions in the proposal. However, the Employer, having the primary responsibility for compliance with the statute and regulations, reserves the right to make the final decision with respect to competitive levels and competitive areas. In making its decision with respect to competitive levels and competitive areas the Employer shall give no greater retention security to preference eligibles than to non-preference eligibles except as may be required by law.

Section 6.5 Recall Rights

A Employees who are laid off or reduced in force shall be placed on recall lists within their seniority units and shall be entitled to remain on such lists for two years. Such employees shall keep the Employer informed of their current address. Employees on the lists shall be notified in order of craft seniority within the seniority unit of all vacant assignments in the same category and level from which they were laid off or reduced in force. Preference eligibles will be accorded no recall rights greater than non-preference eligibles except as required by law. Notice of vacant assignments shall be given by certified mail, return receipt requested, and a copy of such notice shall be furnished to the local union president. An employee so notified must acknowledge receipt of the notice and advise the Employer

of his or her intentions within 5 days after receipt of the notice. If the employee accepts the position offered he or she must report for work within 2 weeks after receipt of notice. If the employee fails to reply to the notice within 5 days after the notice is received or delivery cannot be accomplished, the Employer shall offer the vacancy to the next employee on the list. If an employee declines the offer of a vacant assignment in his or her seniority unit or does not have a satisfactory reason for failure to reply to a notice, the employee shall be removed from the recall list.

- B An employee reassigned from a losing installation pursuant to .3E above and who has retreat rights shall be entitled under this Article to exercise those retreat rights before a vacancy is offered to an employee on the recall list who is junior to the reassigned employee in craft seniority.

Section 6.6 Protective Benefits

A Severance Pay

Employees who are separated because of a layoff or reduction in force shall be entitled to severance pay in accordance with Part 435 of the Employee and Labor Relations Manual.

B Health and Life Insurance Coverage

Employees who are separated because of a layoff or a reduction in force shall be entitled to the health insurance and life insurance coverage and to the conversion rights provided for in the Employee and Labor Relations Manual.

Section 6.7 Union Representation Rights

- A The interpretation and application of the provisions of this Award shall be grievable under Article 15. Any such grievance may be introduced at the Regional level and shall be subject to priority arbitration.
- B The Employer shall provide to the Union a quarterly report on all reassignments, layoff and reductions in force made under this Article.
- C Preference eligibles are not deprived of whatever rights of appeal such employees may have under applicable laws and regulations. However, if an employee exercises these appeal rights, the employee thereby waives access to any procedure under this agreement beyond Step 3 of the grievance-arbitration procedure.

Section 6.8 Intent

The Employer shall not lay off, reduce in force, or take any other action against a non-protected employee solely to prevent the attainment by that employee of protection status.

ARTICLE 7

EMPLOYEE CLASSIFICATIONS

Section 7.1 Definition and Use

A Regular Work Force

The regular work force shall be comprised of two categories of employees which are as follows:

A1 Full-Time

Employees in this category shall be hired pursuant to such procedures as the Employer may establish and shall be assigned to regular schedules consisting of five (5) eight (8) hour days in a service week.

A2 Part-Time

Employees in this category shall be hired pursuant to such procedures as the Employer may establish and shall be assigned to regular schedules of less than forty (40) hours in a service week, or shall be available to work flexible hours as assigned by the Employer during the course of a service week.

B Supplemental Work Force

The Supplemental work force shall be comprised of casual employees. Casual employees are those who may be utilized as a limited term supplemental work force, but may not be employed in lieu of full or part-time employees. During the course of a service week, the Employer will make every effort to insure that qualified and available part-time flexible employees are utilized at the straight time rate prior to assigning such work to casuals. The number of casuals who may be employed in any period, other than December, shall not exceed 10% on a regional basis of the total number of employees covered by this Agreement. Casuals are limited to two (2) ninety (90) day terms of casual employment in a calendar year. In addition to such employment, casuals may be reemployed during the Christmas period for not more than twenty-one (21)

days. If requested, the Employer will provide the Union at the regional level with available data concerning the number of casuals at facilities within the region.

Section 7.2 Employment and Work Assignments

- A Normally, work in different crafts, occupational groups or levels will not be combined into one job. However, to provide maximum full-time employment and provide necessary flexibility, management may establish full-time schedule assignments by including work within different crafts or occupational groups after the following sequential actions have been taken:
 - A1 All available work within each separate craft by tour has been combined.
 - A2 Work of different crafts in the same wage level by tour has been combined.
- B The appropriate representatives of the affected Unions will be informed in advance of the reasons for establishing the combination full-time assignments within different crafts in accordance with this Article.
- C In the event of insufficient work on any particular day or days in a full-time or part-time employee's own scheduled assignment, management may assign the employee to any available work in the same wage level for which the employee is qualified, consistent with the employees' knowledge and experience, in order to maintain the number of work hours of the employee's basic work schedule.
- D During exceptionally heavy workload periods for one occupational group, employees in an occupational group experiencing a light workload period may be assigned to work in the same wage level, commensurate with their capabilities, to the heavy workload area for such time as management determines necessary.

Section 7.3 Employee Complements

The Employer shall staff all postal installations which have 200 or more man years of employment in the regular work force as of the date of this Agreement with 90% full-time **mailhandlers**. For purposes of this section, part-time regular mailhandlers are not to be considered a part of the full-time or part-time workforce for purposes of the percentage referenced above. The number of part-time regular mailhandlers who may be employed in any period in a particular installation shall not exceed 6 percent of the total number of employees in that installation covered by this Agreement. The Employer shall maximize

the number of full-time employees and minimize the number of part-time employees who have no fixed work schedules in all postal installations. A part-time flexible employee working eight (8) hours within ten (10), on the same five (5) days each week over a six-month period will demonstrate the need for converting the assignment to a full-time position.

ARTICLE 8 HOURS OF WORK

Section 8.1 Work Week

The work week for full-time regulars shall be forty (40) hours per week, eight (8) hours per day within ten (10) consecutive hours, provided, however, that in all offices with more than 100 full-time employees in the bargaining units the normal work week for full-time regular employees will be forty hours per week, eight hours per day within nine (9) consecutive hours. Shorter work weeks will, however, exist as needed for part-time regulars.

Section 8.2 Work Schedules

- A The employee's service week shall be a calendar week beginning at 12:01 a.m. Saturday and ending at 12 midnight the following Friday.
- B The employee's service day is the calendar day on which the majority of work is scheduled. Where the work schedule is distributed evenly over two calendar days, the service day is the calendar day on which such work schedule begins.
- C The employee's normal work week is five (5) service days, each consisting of eight (8) hours, within ten (10) consecutive hours, except as provided in Section 8.1 of this Article. As far as practicable the five days shall be consecutive days within the service week.

Section 8.3 Exceptions

The above shall not apply to part-time employees.

Part-time employees will be scheduled in accordance with the above rules, except they may be scheduled for less than eight (8) hours per service day and less than forty (40) hours per normal work week.

Section 8.4 Overtime Work

- A Overtime pay is to be paid at the rate of one and one-half (1½) times the base hourly straight time rate.

- B Overtime shall be paid to employees for work performed only after eight (8) hours on duty in any one service day or forty (40) hours in any one service week. Nothing in this Section shall be construed by the parties or any reviewing authority to deny the payment of overtime to employees for time worked outside of their regularly scheduled work week at the request of the Employer.
- C **Penalty overtime pay is to be paid at the rate of two (2) times the base hourly straight time rate. Penalty overtime pay will not be paid for any hours worked in the month of December.**
- D **Effective January 19, 1985, penalty overtime pay will be paid to full-time regular employees for any overtime work in contravention of the restrictions in Section 8.5.F.**
- E **Beginning the first full pay period after September 1, 1985, excluding December, part-time flexible employees will receive penalty overtime pay for all work in excess of ten (10) hours in a service day or fifty-six (56) hours in a service week.**
- F Wherever two or more overtime or premium rates may appear applicable to the same hour or hours worked by an employee, there shall be no pyramiding or adding together of such overtime or premium rates and only the higher of the employee's applicable rates shall apply.
- G The parties to this Agreement recognize that sustained and excessive levels of overtime, particularly where it is being worked by non-volunteers, are not ultimately beneficial to the Postal Service or the employees. The subject of sustained and excessive overtime, where it is being worked by non-volunteers, is a proper topic for discussion at Regional Labor-Management Committee meetings. The parties will meet to discuss particular problem areas and to identify appropriate avenues of resolution. If the matter is not resolved, it may be referred to the Labor-Management Committee at the National level. In addition, any disputes on this subject may be processed through the Grievance-Arbitration procedure in accordance with Article 15.

Section 8.5 Overtime Assignments

When needed, overtime work for regular full-time employees shall be scheduled among qualified employees doing similar work in the work location where the employees regularly work in accordance with the following:

- A Two weeks prior to the start of each calendar quarter, full-time regular employees desiring to work overtime during that quarter shall place their names on an "Overtime Desired" list. Every employee shall have the opportunity to put his/her name on the "Overtime Desired" list, even though he/she may be on leave during the signing-up period for that quarter.
- B Lists will be established by section and/or tour in accordance with Article 30, Local Implementation.
- C When during the quarter the need for overtime arises, employees with the necessary skills having listed their names will be selected in order of their seniority on a rotating basis. Those absent, on leave or on light duty shall be passed over.
- D If the voluntary "Overtime Desired" list does not provide sufficient qualified people, qualified full-time regular employees not on the list may be required to work overtime on a rotating basis with the first opportunity assigned to the junior employee.
- E Exceptions to .5C and .5D above if requested by the employee may be approved by local management in exceptional cases based on equity (e.g., anniversaries, birthdays, illness, deaths).
- F **Effective January 19, 1985, excluding December, no full-time regular employee will be required to work overtime on more than four (4) of the employee's five (5) scheduled days in a service week or work over ten (10) hours on a regularly scheduled day, over eight (8) hours on a nonscheduled day, or over six (6) days in a service week.**
- G **Effective January 19, 1985, full-time employees not on the "Overtime Desired" list may be required to work overtime only if all available employees on the "Overtime Desired" list have worked up to twelve (12) hours in a day or sixty (60) hours in a service week. Employees on the "Overtime Desired" list:**
1. **may be required to work up to twelve (12) hours in a day and sixty (60) hours in a service week (subject to payment of penalty overtime pay set forth in Section 8.4.D. for contravention of Section 8.5.F.); and**
 2. **excluding December, shall be limited to no more than twelve (12) hours of work in a day and no**

more than sixty (60) hours of work in a service week.

However, the Employer is not required to utilize employees on the "Overtime Desired" list at the penalty overtime rate if qualified employees on the "Overtime Desired" list who are not yet entitled to penalty overtime are available for the overtime assignment.

Section 8.6 Sunday Premium Payment

Each employee whose regular work schedule includes a period of service, any part of which is within the period commencing at midnight Saturday and ending at midnight Sunday, shall be paid extra compensation at the rate of 25 percent of the employee's base hourly rate of compensation for each hour of work performed during that period of service. An employee's regularly scheduled reporting time shall not be changed on Saturday or Sunday solely to avoid the Sunday premium payment.

Section 8.7 Night Shift Differential

For time worked between the hours of 6:00 p.m. and 6:00 a.m. employees shall be paid additional compensation at the rate of ten percent (10%) of the base hourly straight time rate.

Section 8.8 Guarantees

An employee called in outside the employee's regular work schedule shall be guaranteed a minimum of four (4) consecutive hours of work or pay in lieu thereof where less than four (4) hours of work is available. Such guaranteed minimum shall not apply to an employee called in who continues working on into the employee's regularly scheduled shift. When a full-time regular employee is called in on the employee's non-scheduled day, the employee will be guaranteed eight hours work or pay in lieu thereof. This guarantee will be waived if the employee, with the concurrence of the Union and approval of Management, requests to be released early. The Employer will guarantee all employees at least four (4) hours work or pay on any day they are requested or scheduled to work in a post office or facility with 200 or more man years of employment per year. All employees at other post offices and facilities will be guaranteed two (2) hours work or pay when requested or scheduled to work.

Section 8.9 Wash-Up Time

Installation heads shall grant reasonable wash-up time to those employees who perform dirty work or work with toxic materials. The amount of wash-up time granted each employee shall be subject to the grievance procedure.

Section 9.3 Cost of Living Adjustment

A. Definitions

1. "Consumer Price Index" refers to the "National Consumer Price Index for Urban Wage Earners and Clerical Workers," published by the Bureau of Labor Statistics, United States Department of Labor (1967 = 100) and referred to herein as the "Index."

2. "Consumer Price Index Base" refers to the Consumer Price Index for the month of June 1984 and is referred to herein as the "Base Index."

B. Effective Dates of Adjustments

Each employee covered by this Agreement shall receive cost-of-living adjustments, upward, in accordance with the formula in 3.C. below, effective on the following dates:

- the second full pay period after the release of the September 1984 Index
- the second full pay period after the release of the March 1985 Index
- the second full pay period after the release of the September 1985 Index
- the second full pay period after the release of the March 1986 Index
- the second full pay period after the release of the September 1986 Index
- the second full pay period after the release of March 1987 Index

C. The base salary schedules provided for in this Agreement shall be increased 1 cent per hour for each full 0.4 of a point increase in the applicable Index above the Base Index. For example, if the increase in the Index from June 1984 to September 1984 is 1.2 points, all pay scales for employees covered by this Agreement will be increased by 3 cents per hour. In no event will a decline in the Index below the Base Index result in a decrease in the pay scales provided for in this Agreement.

D. The cost-of-living adjustment shall be taken into account only in computing base rates, overtime and shift premiums, and in determining call-in pay, leave pay and holiday pay.

E. The cost-of-living adjustment shall not become a fixed part of the Mail Handler Basic Salary Schedules.

F. In the event the appropriate Index is not published on or before the beginning of the effective payroll period, any adjustment required will be made effective at the beginning of the second payroll period after publication of the appropriate Index.

G. No adjustment, retroactive or otherwise, shall be made due to any revision which may later be made in the published figures for the Index for any month mentioned in 3.B., above.

H. In recognition of the fact that the Bureau of Labor Statistics has announced that it will discontinue the current form of the Index, the parties agree to change to the new form of the same Index at the time the old Index is discontinued.

Section 11.7 Holiday Part-Time Employee

The Employer shall have the right to separate from its employ any probationary employee at any time during the probationary period and these probationary employees shall not be permitted access to the grievance procedure in relation thereto.
- B The parties recognize that the failure of the Employer to discover a falsification by an employee in the employment application prior to the expiration of the probationary period shall not bar the use of such falsification as a reason for discharge.
- C When an employee completes the probationary period seniority will be computed in accordance with this Agreement as of the initial day of full-time or part-time employment.
- D When an employee who is separated from the Postal Service for any reason is re-hired, the employee shall serve a new probationary period. If the separation was due to disability, the employee's seniority shall be established in accordance with Section 12.2, if applicable.

Section 12.2 Principles of Seniority

A Introduction

- A1 The United States Postal Service and the National Post Office Mail Handlers, Watchmen, Messengers & Group Leaders Division of the Laborers' International Union of North America, AFL-CIO, agree to the following seniority principles which replace all former rules, instructions, and practices.
- A2 This Article will continue relative seniority standing properly established under past principles, rules and instructions and this Article shall be so applied. If an employee requests a correction of seniority standing, it is the responsibility of the requesting employee to identify and restate the specific instructions, rule, or practice in support of the request.

B Coverage

These rules apply to full-time and part-time fixed schedule employees. No employee, solely by reason of this Section shall be displaced from an assignment which the employee gained in accord with former rules.

C Responsibility

The installation head is responsible for the day-to-day administration of seniority. Installation heads will post a seniority list of Mail Handlers on all official bulletin boards for that installation. The seniority list shall be corrected and brought up to date quarterly.

D Definitions

D1 Craft Group

A craft group is composed of those positions for which the Union has secured exclusive recognition at the national level.

D2 Seniority Standing

D2a Seniority for full-time employees is computed from the date of appointment in the craft and continues to accrue so long as service in the craft (regardless of level) and installation is uninterrupted, except as otherwise provided herein.

D2b Seniority for part-time fixed schedule employees is computed from the date of appointment in this category of the work force and contin-

ues to accrue so long as service in the craft and category and installation is uninterrupted

D3 Duty Assignment

D6 Application

A written request by a full-time employee or part-time fixed schedule employee within the employee's respective category for consideration for an assignment for which the employee is not entitled to submit a bid.

E Relative Standing of Part-Time Flexibles

Part-time flexible employees are placed on a part-time flexible roster in the order of the date of their appointment. When changing such employees to full-time, they shall be taken in the order of their standing on the part-time flexible roster.

These employees do not have seniority rights; however, their relative length of service shall be used for vacation scheduling and for purposes of conversion to full-time status. ✓

F Changes in Which Seniority is Lost

Except as specifically provided elsewhere in this Agreement an employee begins a new period of seniority:

F1 When the change is at the employee's request:

On reinstatement or reemployment after separation caused by disability, retirement or resignation because of personal illness and the employee so stated in the employee's resignation and furnished satisfactory evidence for inclusion in the employee's personnel folder, the employee receives seniority credit for past service for time on the disability retirement or for illness if reinstated or reemployed in the same postal installation and craft and in the same or lower salary level, from which originally separated; provided application for reinstatement or reemployment is made within six months from the date of recovery. The date of recovery in the case of disability retirement must be supported by notice of recovery from the Compensation Group, Office of Personnel Management, and in the case of resignation due to illness, by a statement from the applicant's attending physician or practitioner. Section 12.3 Principles of Posting

A To insure a more efficient and stable work force, an employee may be designated a successful bidder no more than five (5) times during the duration of this Agreement unless such bid:

- A1 is to a job in a higher wage level;
- A2 is due to elimination or reposting of the employee's duty assignment; or
- A3 enables an employee to become assigned to a station closer to the employee's place of residence.

B In the Mail Handler Craft, Vacant Craft Duty Assignments Will Be Posted for Bid as Follows:

- B1 Full-time and part-time fixed schedule employees will only bid for vacant assignments within their own category.
- B2 Full-time employees may apply for residual vacancies in the part-time fixed schedule category, and selection from such applicants shall be based on senior employee meeting the qualification standards.

If a vacant duty assignment has not been posted within 30 days, the installation head or the installation head's designee shall advise the Union in writing, the reasons the positions are being withheld and the anticipated length

of time such positions will remain vacant. If the vacant assignment is reverted, a notice shall be posted within 10 days advising of the action taken and the reasons therefor.

- B4 When it is necessary that fixed scheduled day(s) of work in the basic work week for a craft assignment be permanently changed, the affected assignment(s) shall be reposted. The change in work days shall not be effected until the job has been posted.
- B5 The determination of what constitutes a sufficient change of duties, or principal assignment area, to cause the duty assignment to be reposted shall be subject to local negotiations in accordance with local implementation provisions of this Agreement.
- B6 No assignment will be posted because of change in starting time unless the change exceeds one hour. Any change in starting time that exceeds one (1) hour shall be posted for bid, except when there is a permanent change in starting time of more than one hour the incumbent shall have the option to accept such new reporting time. If the incumbent does not accept the new reporting time, the assignment will be posted for bid.
- B7 Change in duty assignment, as specified below, will require reposting:
 - B7a A 50% change in duties (actual duties performed).
 - B7b A change in principal assignment area which requires reporting to a different physical location; i.e., station, branch, facility annex, etc., except the incumbent shall have the option to accept the new assignment.

- B9 The installation head shall establish a method for handling multiple bidding on duty assignments which are simultaneously posted.

C Place of Posting

Bids for a craft assignment shall be posted on all official bulletin boards at the installation where the vacancy exists including stations, branches and sections. Copies of the notice shall be given to the designated agent of the Union. When an absent employee has so requested in writing, stating the employee's mailing address, a copy of any notice inviting bids shall be mailed to the employee by the installation head. - E2 The successful bidder must be placed in the new assignment within 15 days except in the month of December.

E3 Normally, an employee shall work the duty assignment for which the employee has been designated the successful bidder. However, when an employee is moved off the employee's duty assignment, the employee shall not be replaced by another employee. E4 No employee shall be allowed to displace or "bump" another employee properly holding a position or duty assignment.

Section 12.4 Definition of a Section

The Employer and the Union shall define sections in accordance with the local implementation provision of this Agreement. Such definition will be confined to one or more of the following:

- B by floor;
- C tour;
- D job within an area;
- E type of work;
- F by branches or stations;
- G the entire installation;
- H incoming;
- I outgoing.

Section 12.5 Principles of Reassignments

- A A primary principle in effecting reassignments will be that dislocation and inconvenience to employees in the regular work force shall be kept to a minimum, consistent with the needs of the Service. Reassignments will be made in accordance with this Section and the provisions of Section 12.6 below.
- A1 When a major relocation of employees is planned in major metropolitan areas or due to the implementation of national postal mail networks, the Employer will apply this Article in the development of the relocation and reassignment plan. At least 90 days in advance of implementation of such plan, the Employer will meet with the Union at the national level to fully advise the Union how it intends to implement the plan. If the Union believes such plan violates this Agreement, the matter may be grieved.
- A2 Such plan shall include a meeting at the regional level in advance (as much as six months whenever possible) of the reassignments anticipated. The Employer will advise the Union, based on the best estimates available at the time, of the anticipated impact; the numbers of employees affected; the locations to which they will be reassigned; and, in the case of a new installation, the anticipated complement by tour. The Union will be periodically updated by the Region should any of the information change due to more current data being available.
- A3 When employees are excessed out of their installation, the Union at the regional level may request a comparative work hour report of the losing installation 60 days after the excessing of such employees.
- A4 If a review of the report does not substantiate that business conditions warranted the action taken, such employees shall have their retreat rights activated. If the retreat right is denied, the employees have the right to the grievance-arbitration procedure.
- B In order to minimize the impact on employees in the regular work force, the Employer agrees to separate to the extent possible, casual employees, working in the affected craft and installation prior to excessing any regular employee in that craft out of the installation. The junior full-time employee who is being excessed has the option of reverting to part-time flexible status in his/her craft, or of being reassigned to the gaining installation.

Section 12.6 Reassignments

A Basic Principles and Reassignments

When it is proposed to:

- A1 Discontinue an independent installation;
- A2 Consolidate an independent installation (i.e., discontinue the independent identity of an installation by making it part of another and continuing independent installation);
- A3 Transfer a classified station or classified branch to the jurisdiction of another installation or make an independent installation;
- A4 Reassign within an installation employees excess to the needs of a section of that installation;
- A5 Reduce the number of regular work force employees of an installation other than by attrition;
- A6 Centralized mail processing and/or delivery installation; and
- A7 Reassignment—part-time flexibles in excess of quota; such actions shall be subject to the following principles and requirements.

B Principles and Requirements

- B1 Dislocation and inconvenience to full-time and part-time flexible employees shall be kept to the minimum consistent with the needs of the service.
- B2 The Regional Postmasters General shall give full consideration to withholding sufficient full-time and part-time flexible positions within the area for full-time and part-time flexible employees who may be involuntarily reassigned.
- B3 No employee shall be allowed to displace, or "bump" another employee, properly holding a position or duty assignment.
- B4 The Union shall be notified in advance (as much as six (6) months whenever possible), such notification to be at the regional level, except under .6A4 above, which shall be at the local level.
- B5 Full-time and part-time flexible employees involuntarily detailed or reassigned from one installation to another shall be given not less than 60 days advance notice, if possible, and shall receive moving, mileage,

per diem and reimbursement for movement of household goods, as appropriate, if legally payable, will be governed by the standardized Government travel regulations as set forth in Methods Handbook M-9, "Travel."

- B6 Any employee volunteering to accept reassignment to another craft or occupational group, another branch of the Postal Service, or another installation shall start a new period of seniority beginning with such assignment, except as provided herein.
- B7 Whenever changes in mail handling patterns are undertaken in an area including one or more postal installations with resultant successive reassignments of Mail Handlers from those installations to one or more central installations, the reassignment of Mail Handlers shall be treated as details for the first 120 days in order to prevent inequities in the seniority lists at the gaining installations. The 120 days is computed from the date of the first detail of a Mail Handler to the central, consolidated or new installation in that specific planning program. If a tie develops in establishing the merged seniority roster at the gaining installation, it shall be broken by total continuous service in the regular work force in the same craft.
- B8 Whenever in this Agreement provision is made for reassignments, it is understood that any full time or part-time flexible employees reassigned must meet the qualification requirements of the position to which reassigned.
- B9 It is understood that any employee entitled hereunder to a specific placement may exercise entitlement only if no other employee has a superior claim hereunder to the same position.
- B10a Surplus U.S. Postal Service Employees—Surplus U.S. Postal Service employees from non-mail processing and non-mail delivery installations, regional offices, the U.S. Postal Service Headquarters or from other Federal departments or agencies shall be placed at the foot of the part-time flexible roll and begin a new period of seniority effective the date of reassignment.
- B10b Former full-time post office Mail Handlers who were reassigned to mail bag repair centers and depositories

on or before July 1, 1956, and who since such reassignment have been continuously employed in the same center or depository and subsequent to March 31, 1965:

- B10b1 When such an employee is declared excess and is returned to the Mail Handler craft in the same installation from which the employee was reassigned, seniority shall be the same as for continuous service in the craft and installation.
- B10b2 Should such an employee who is not excess volunteer to be returned to the installation in place of a junior excess employee, seniority in the Mail Handler craft and installation will be that of the junior excess employee.
- B10b3 If such an employee voluntarily transfers to the employee's former installation he/she shall begin a new period of seniority.

C Special Provisions on Reassignments

In addition to the general principles and requirements above specified, the following specific provisions are applicable:

C1 Discontinuance of an Independent Installation

- C1a When an independent installation is discontinued, all full-time and part-time flexible employees shall, to the maximum extent possible, be involuntarily reassigned to continuing postal positions in accordance with the following:
- C1b Involuntary reassignment of full-time employees with their seniority for duty assignments to vacancies in the same or lower level in the same craft or occupational group in installations within 100 miles of the discontinued installation, or in more distant installations, if after consultation with the Union, it is determined that it is necessary. The Postal Service will designate such installations for the reassignment of excess full-time employees. When two or more such vacancies are simultaneously available, first choice of duty assignment shall go to the senior employee entitled by displace-

- ment from a discontinued installation to such placement.
- C1c Involuntary reassignment of full-time employees for whom consultation did not provide for placement under .6C1b above, in other crafts or occupational groups in which they meet minimum qualifications at the same or lower level.
- C1d Involuntary reassignment of part-time flexible employees with seniority in any vacancy in the part-time flexible quota in the same craft or occupational group at any installation within 100 miles of the discontinued installation, or in more distant installations, if after consultation with the Union it is determined that it is necessary, the Postal Service will designate such installations for the reassignment of the part-time flexible employees.
- C1e Involuntary reassignment of part-time flexible employees for whom consultation did not provide for placement under .6C1d, above in other crafts or occupational groups in which they meet minimum qualification at the same or lower level at the foot of existing part-time flexible roster at the receiving installation and begin a new period of seniority.
- C1f Full-time employees for whom no full-time vacancies are available by the time the installation is discontinued shall be changed to part-time flexible employees in the same craft and placed as such, but shall for six months retain placement rights to full-time vacancies developing within that time within any installation within 100 miles of the discontinued installation, or in more distant installations, if after consultation with the Union it is necessary, U.S. Postal Service will designate such installations for the reassignment of excess full-time employees on the same basis as if they had remained full-time.
- C1g Employees, full-time or part-time flexible, involuntarily reassigned as above provided shall upon the reestablishment of the discontinued installation be entitled to be reassignment with full seniority to the first vacancy in the rees-

- established installation in the level, craft or occupational group from which reassigned.
- C2 Consolidation of an Independent Installation
- C2a When an independent postal installation is consolidated with another postal installation, each full-time or part-time flexible employee shall be involuntarily reassigned to the continuing installation without loss of seniority in the employee's craft or occupational group.
- C2b Where reassignments under .6C2a preceding, result in an excess of employees in the continuing installation, identification and placement of excess employees shall be accomplished by the continuing installation in accordance with the provisions of this Agreement covering such situations.
- C2c If the consolidated installation again becomes an independent installation, each full-time and part-time flexible employee whose reassignment was necessitated by the previous consolidation shall be entitled to the first vacancy in the reestablished installation in the level and craft or occupational group held at the time the installation was discontinued.
- C3 Transfer of a Classified Station or Classified Branch to the Jurisdiction of Another Installation or Made an Independent Installation
- C3a When a classified station or classified branch is transferred to the jurisdiction of another installation or made an independent installation, all full-time employees shall at their option remain with the classified station or classified branch without loss of seniority, or remain with the installation from which the classified station or classified branch is being transferred.
- C3b A realistic appraisal shall be made of the number of employees by crafts or occupations who will be needed in the station after transfer, and potential vacancies within these requirements created by the unwillingness of employees to follow the station to the new jurisdiction shall be posted for bid on an office-wide basis in the losing installation.

- C3c If the postings provided in paragraph .6C3b preceding, do not result in sufficient employees to staff the transferred classified station or classified branch, junior employees, by craft or occupational group on an installation-wide seniority basis in the losing installation, shall be involuntarily reassigned to the classified station or classified branch and each employee thus involuntarily reassigned shall be entitled to the first vacancy in such employee's level and craft or occupational group in the installation from which transferred.
- C4 Reassignment Within an Installation of Employees Excess to the Needs of a Section
- C4a The identification of assignments comprising for this purpose a section shall be determined locally by local negotiations. If no sections are established by local negotiations, the entire installation shall comprise the section.
- C4b Full-time employees, excess to the needs of a section, starting with that employee who is junior in the same craft or occupational group and in the same level assigned in that section, shall be reassigned outside the section but within the same craft or occupational group. They shall retain their seniority and may bid on any existing vacancies for which they are eligible to bid.
- If they do not bid, they may be assigned any vacant duty assignment for which there was no senior bidder in the same craft and installation. Their preference is to be considered if more than one such assignment is available.
- C4c Such reassigned full-time employee retains the right to retreat to the section from which withdrawn only upon the occurrence of the first residual vacancy in the salary level after employees in the section have completed bidding. Such bidding in the section is limited to employees in the same salary level as the vacancy. Failure to bid for the first available vacancy will end such retreat right. The right to retreat to the section is optional with employee who has retreat rights with respect to a vacancy in a lower salary level. Failure to exercise the op-

tion does not terminate the retreat rights in the salary level in which the employee was reassigned away from the section.

- C4d The duty assignment vacated by the reassignment of the junior full-time employee from the section shall be posted for bid of the full-time employees in the section. If there are no bids, the junior remaining unassigned full-time employee in the section shall be assigned to the vacancy.
- C5 Reduction in the Number of Employees in an Installation Other Than by Attrition
- C5a Reassignments within installation. When for any reason an installation must reduce the number of employees more rapidly than is possible by normal attrition, that installation:
- C5a1 Shall determine by craft and occupational group the number of excess employees;
- C5a2 Shall, to the extent possible, minimize the impact on regular work force employees by separation of all casuals;
- C5a3 Shall, to the extent possible, minimize the impact on full-time positions by reducing part-time flexible hours;
- C5a4 Shall identify as excess the necessary number of junior full-time employees in the salary level and occupational group affected on an installation-wide basis within the installation; make reassignments of excess full-time employees who meet the minimum qualifications for vacant assignments in other crafts in the same installation; involuntarily reassign them in the same or lower level.
- C5a5 The employee shall be returned at the first opportunity to the craft from which reassigned.
- C5a6 When returned, the employee retains seniority previously attained in the craft augmented by intervening employment in the other craft.

- C5a7 The right of election by a senior employee provided in paragraph .6C5b3, below is not available for this cross-craft reassignment within the installation.
- C5b Reassignments to Other Installations After Making Reassignments Within the Installation:
- C5b1 Involuntarily reassign such excess full-time employees starting with the junior with their seniority for duty assignments to vacancies in the same or lower level in the same craft or occupational group in installations within 100 miles of the losing installation, or in more distant installations if after consultation with the affected Union it is determined that it is necessary, the Postal Service will designate such installations for the reassignment of excess full-time employees.
- C5b2 Involuntarily reassign full-time employees for whom consultation did not provide for placement under .6C5b1 above in other crafts or occupational groups in which they meet minimum qualifications at the same or lower level.
- C5b3 Any senior employee in the same occupational group in the same installation may elect to be reassigned to the gaining installation and take the seniority of the senior full-time employee subject to involuntary reassignment. Such senior employees who accept reassignment to the gaining installation do not have retreat rights.
- C5b4 When two or more such vacancies are simultaneously available, first choice of duty assignment shall go to the senior employee entitled by displacement from a discontinued installation to such placement.
- C5b5 A full-time employee shall have the

option of changing to part-time flexible in the same craft or occupational group in lieu of involuntary reassignment.

- C5b6 Employees involuntarily reassigned under .6C5b1 and .6C5b2 above, other than senior employees who elect to be reassigned in place of junior employees, shall be entitled at the time of such reassignment to file a written request to be returned to the first vacancy in the level, in the craft or occupational group in the installation from which reassigned, and such request shall be honored so long as the employee does not withdraw it or decline to accept an opportunity to return in accordance with such request.
- C6 Centralized Mail Processing and/or Delivery Installation
- C6a When the operations at a centralized installation or other mail processing and/or delivery installation result in an excess of full-time Mail Handlers at another installation(s), full-time Mail Handlers who are excess in a losing installation(s) by reason of the change, shall be reassigned as provided in Section .6C5b. Reassignments of Mail Handlers shall be treated as details for the first 120 days to avoid inequities in the selection of preferred duty assignments by full-time Mail Handlers in the gaining installation.
- C6b Previously established preferred duty assignments which become vacant before expiration of the detail period must be posted for bid and awarded to eligible full-time Mail Handlers then permanently assigned in the gaining installation. Excess part-time flexible Mail Handlers may be reassigned as provided for in Section .6C7.
- C6c All new duty assignments created in the gaining installation and all other vacant duty assignments in the centralized installation shall be posted for bid. One hundred twenty (120) days is computed from the date of the first de-

tail of an employee. Bidding shall be open to all full-time mail handlers of the craft involved at the gaining installation. This includes full-time Mail Handlers assigned to the gaining installation.

C7 Reassignment—Part-time Flexible Employees in Excess of Quota

Where there are part-time flexible employees in excess of the part-time flexible quota for the craft for whom work is not available, part-time flexibles lowest on the part-time flexible roll equal in number to such excess may at their option be reassigned to the foot of the part-time flexible roll in the same or another craft in another installation.

C7a An excess employee reassigned to another craft in the same or another installation shall be assigned to the foot of the part-time flexible roll and begin a new period of seniority.

C7b An excess part-time flexible employee reassigned to the same craft in another installation shall be placed at the foot of the part-time flexible roll. Upon change to full-time from the top of the part-time flexible roll, the employee's seniority for preferred assignments shall include the seniority the employee had in the losing installation augmented by part-time flexible service in the gaining installation.

C7c A senior part-time flexible in the same craft or occupational group in the same installation may elect to be reassigned in another installation in the same or another craft and take the seniority, if any, of the senior excess part-time flexible being reassigned, as set forth in .6C7a and .6C7b above.

C7d The Postal Service will designate, after consultation with the Union, vacancies at installations in which excess part-time flexibles may request to be reassigned beginning with vacancies in other crafts in the same installation; then vacancies in the same craft in other installations; and finally vacancies in other crafts in other installations making the designations to minimize relocation hardships to the extent practicable.

C7e Part-time flexibles reassigned to another craft in the same installation shall be returned to the first part-time flexible vacancy within the craft and level from which reassigned.

C7f Part-time flexibles reassigned to other installations have retreat rights to the next such vacancy according to their standing on the part-time flexible roll in the losing installation but such retreat right does not extend to part-time flexibles who elect to request reassignment in place of the junior part-time flexibles.

C7g The right to return is dependent upon a written request made at the time of reassignment from the losing installation and such request shall be honored unless it is withdrawn or an opportunity to return is declined.

D Part-Time Regular Employees

Part-time regular employees assigned in the craft unit shall be considered to be in a separate category. All provisions of this Section apply to part-time regular employees within their own category.

Section 12.7 Transfer Request

A Prior to hiring Mail Handlers, installation heads will consider requests for transfers submitted by Mail Handlers from other installations.

B Providing a written request for a voluntary transfer has been submitted, a written acknowledgment shall be given in a timely manner.

C An employee whose transfer is approved will be allowed to use up to five (5) days of annual leave or five (5) days leave without pay for purpose of transferring.

ARTICLE 13

ASSIGNMENT OF ILL OR INJURED REGULAR WORK FORCE EMPLOYEES

Section 13.1 Introduction

A Part-time fixed schedule employees assigned in the craft unit shall be considered to be in a separate category. All provisions of this Article apply to part-time fixed schedule employees within their own category.

- B The U.S. Postal Service and the Union, recognizing their responsibility to aid and assist deserving full-time regular or part-time flexible employees who through illness or injury are unable to perform their regularly assigned duties, agree to the following provisions and conditions for assignment to temporary or permanent light duty or other assignments. It will be the responsibility of each installation head to implement the provisions of this Agreement within the installation, after local negotiations.

Section 13.2 Employee's Request for Reassignment

A Temporary Reassignment

Any full-time regular or part-time flexible employee recuperating from a serious illness or injury and temporarily unable to perform the assigned duties may voluntarily submit a written request to the installation head for temporary assignment to a light duty or other assignment. The request shall be supported by a medical statement from a licensed physician or by a written statement from a licensed chiropractor stating, when possible, the anticipated duration of the convalescence period. Such employee agrees to submit to a further examination by a Public Health Service doctor or physician designated by the installation head, if that official so requests.

B Permanent Reassignment

B1 Any ill or injured full-time regular or part-time flexible employee having a minimum of five years of postal service, or any full-time regular or part-time flexible employee who sustained injury on duty, regardless of years of service, while performing the assigned duties can submit a voluntary request for permanent reassignment to light duty or other assignment to the installation head if the employee is permanently unable to perform all or part of the assigned duties. The request shall be accompanied by a medical certificate from the United States Public Health Service or a physician designated by the installation head giving full evidence of the physical condition of the employee, the need for reassignment, and the ability of the employee to perform other duties. A certificate from the employee's personal physician will not be acceptable.

B2 The following procedures are the exclusive procedures for resolving a disagreement between the employee's physician and the physician designated by the USPS concerning the medical condition of an em-

ployee who has requested a permanent light duty assignment. These procedures shall not apply to cases where the employee's medical condition arose out of an occupational illness or injury. On request of the Union, a third physician will be selected from a list of five Board Certified Specialists in the medical field for the condition in question, the list to be supplied by the local Medical Society. The physician will be selected by the alternate striking of names from the list by the Union and the Employer. The Employer will supply the selected physician with all relevant facts including job description and occupational physical requirements. The decision of the third physician will be final as to the employee's medical condition and occupational limitations, if any. Any other issues relating to the employee's entitlement to a light duty assignment shall be resolved through the grievance-arbitration procedure. The costs of the services of the third physician shall be shared by the Union and the Employer.

C Installation heads shall show the greatest consideration for full-time regular or part-time flexible employees requiring light duty or other assignments, giving each request careful attention, and reassign such employees to the extent possible in the employee's office. When a request is refused, the installation head shall notify the concerned employee in writing, stating the reasons for the inability to reassign the employee.

Section 13.3 Local Implementation

Due to varied size installations and conditions within installations, the following important items having a direct bearing on these reassignment procedures (establishment of light duty assignments) should be determined by local negotiations.

A Through local negotiations, each office will establish the assignments that are to be considered light duty within the office. These negotiations should explore ways and means to make adjustments in normal assignments, to convert them to light duty assignments without seriously affecting the production of the assignment.

B Light duty assignments may be established from part-time hours, to consist of 8 hours or less in a service day and 40 hours or less in a service week. The establishment of such assignment does not guarantee any hours to a part-time flexible employee.

- C Number of Light Duty Assignments. The number of assignments within the craft that may be reserved for temporary or permanent light duty assignments, consistent with good business practices, shall be determined by past experience as to the number of reassignments that can be expected during each year, and the method used in reserving these assignments to insure that no assigned full-time regular employee will be adversely affected, will be defined through local negotiations. The light duty employee's tour hours, work location and basic work week shall be those of the light duty assignment and the needs of the service, whether or not the same as for the employee's previous duty assignment.

Section 13.4 General Policy Procedures

- A Every effort shall be made to reassign the concerned employee within the employee's present craft or occupational group, even if such assignment reduces the number of hours of work for the supplemental work force. After all efforts are exhausted in this area, consideration will be given to reassignment to another craft or occupational group within the same installation.
- B The full-time regular or part-time flexible employee must be able to meet the qualifications of the position to which the employee is reassigned on a permanent basis. On temporary reassignment, qualifications can be modified provided excessive hours are not used in the operation.
- C The reassignment of a full-time regular or part-time flexible employee to a temporary or permanent light duty or other assignment shall not be made to the detriment of any full-time regular on a scheduled assignment or give a reassigned part-time flexible preference over other part-time flexible employees.
- D The reassignment of a full-time regular or part-time flexible employee under the provisions of this Article to an agreed-upon light duty temporary or permanent or other assignment within the office, such as type of assignment, area of assignment, hours of duty, etc., will be the decision of the installation head who will be guided by the examining physician's report, employee's ability to reach the place of employment and ability to perform the duties involved.
- E An additional full-time regular position can be authorized within the craft or occupational group to which the employee is being reassigned, if the additional position can be

established out of the part-time hours being used in that operation without increasing the overall hour usage. If this cannot be accomplished, then consideration will be given to reassignment to an existing vacancy.

- F The installation head shall review each light duty reassignment at least once each year, or at any time the installation head has reason to believe the incumbent is able to perform satisfactorily in other than the light duty assignment the employee occupies. This review is to determine the need for continuation of the employee in the light duty assignment. Such employees may be requested to submit to a medical review by the United States Public Health Service or by a physician designated by the installation head if the installation head believes such examination to be necessary.
- G The following procedures are the exclusive procedures for resolving a disagreement between the employee's physician and the physician designated by the USPS concerning the medical condition of an employee who is on a light duty assignment. These procedures shall not apply to cases where the employee's medical condition arose out of an occupational illness or injury. On request of the Union, a third physician will be selected from a list of five Board Certified Specialists in the medical field for the condition in question, the list to be supplied by the local Medical Society. The physician will be selected by the alternate striking of names from the list by the Union and the Employer. The Employer will supply the selected physician with all relevant facts including job descriptions and occupational physical requirements. The decision of the third physician will be final as to the employee's medical condition and occupational limitations, if any. Any other issues relating to the employee's entitlement to a light duty assignment shall be resolved through the grievance-arbitration procedure. The costs of the services of the third physician shall be shared by the Union and the Employer.
- H When a full-time regular employee in a temporary light duty assignment is declared recovered on medical review, the employee shall be returned to the employee's former duty assignment, if it has not been discontinued. If such former regular assignment has been discontinued, the employee becomes an unassigned full-time regular employee.
- I If a full-time regular employee is reassigned in another craft for permanent light duty and later is declared recovered, on medical review, the employee shall be returned to

the first available full-time regular vacancy in complement in the employee's former craft. Pending return to such former craft, the employee shall be an unassigned full-time regular employee. The employee's seniority shall be restored to include service in the light duty assignment.

- J When a full-time regular employee who has been awarded a permanent light duty assignment within the employee's own craft is declared recovered, on medical review, the employee shall become an unassigned full-time regular employee.
- K When a part-time flexible on temporary light duty is declared recovered, the employee's detail to light duty shall be terminated.
- L When a part-time flexible who has been reassigned in another craft on permanent light duty is declared recovered, such assignment to light duty shall be terminated. Section 4I, above, does not apply even though the employee has advanced to full-time regular while on light duty.

Section 13.5 Filling Vacancies Due to Reassignment of an Employee to Another Craft

When it is necessary to permanently reassign an ill or injured full-time regular or part-time flexible employee who is unable to perform the regularly assigned duties, from one craft to another craft within the office, the following procedures will be followed:

- A When the reassigned employee is a full-time regular employee, the resulting full-time regular vacancy in the complement, not necessarily in the particular duty assignment of the losing craft from which the employee is being reassigned, shall be posted to give the senior of the full-time regular employees in the gaining craft the opportunity to be reassigned to the vacancy, if desired.
- B If no full-time regular employee accepts the opportunity to be assigned to the vacancy in the complement, not necessarily in the particular duty assignment in the other craft, the senior of the part-time flexibles on the opposite roll who wishes to accept the vacancy shall be assigned to the full-time regular vacancy in the complement of the craft of the reassigned employee.
- C When the reassigned employee is a part-time flexible, the resulting vacancy in the losing craft shall be posted to give the senior of the full-time regular or part-time flexible employees in the gaining craft the opportunity to be assigned

to the part-time flexible vacancy, if desired, to begin a new period of seniority at the foot of the part-time flexible roll.

- D The rule in 5A and 5B, above, applies when a full-time regular employee on permanent light duty is declared recovered and is returned to the employee's former craft, to give the senior of the full-time regular or part-time flexible employees in the gaining craft the opportunity, if desired, to be assigned in the resulting full-time regular vacancy in the complement, not necessarily in the particular duty assignment of the losing craft.

Section 13.6 Seniority of an Employee Assigned to Another Craft

- A Except as provided for in Section 4I, above, a full-time regular employee assigned to another craft or occupational group in the same or lower level in the same installation shall take the seniority for preferred tours and assignments, whichever is the lesser of (a) one day junior to the junior full-time regular employee in the craft or occupational group, (b) retain the seniority the employee had in the employee's former craft.
- B A part-time flexible employee who is permanently assigned to a full-time regular or part-time flexible assignment in another craft, under the provisions of this Article, shall begin a new period of seniority. If assigned as a part-time flexible, it shall be at the foot of the part-time flexible roll.

Section 13.7 Notice

Employees will be given at least 24 hours notice before appearance is required before an Accident Review Board. Union representation will be permitted at all discussions of accidents upon request of the employee and provided that the acquiring of such representation does not delay the scheduled discussion.

ARTICLE 14

SAFETY AND HEALTH

Section 14.1 Responsibilities

It is the responsibility of management to provide safe working conditions in all present and future installations and to develop a safe working force. The Union will cooperate with and assist management to live up to this responsibility.

Section 14.2 Cooperation

- A The Employer and the Union insist on the observance of safe rules and safe procedures by employees and insist on correction of unsafe conditions. Mechanization, vehicles and vehicle equipment and the work place must be maintained in a safe and sanitary condition, including adequate occupational health and environmental conditions. The Employer shall make available at each installation forms to be used by employees in reporting unsafe and unhealthful conditions. If an employee believes he/she is being required to work under unsafe conditions, such employees may: a) notify the employee's supervisor who will immediately investigate the condition and take corrective action if necessary; b) file a grievance at Step 2 of the grievance procedure within fourteen (14) days of notifying such employee's supervisor if no corrective action is taken during the employee's tour; c) and/or make a written report to the Union representative from the local Safety and Health Committee who may discuss the report with such employee's supervisor.
- B Any grievance which has as its subject a safety or health issue directly affecting an employee and which is subsequently properly appealed to arbitration in accordance with the provisions of Article 15 may be placed at the head of the appropriate arbitration docket.

Section 14.3 Implementation

To assist in the positive implementation of the program:

- A1 There shall be established at the Employer's Headquarters level, a Joint Labor-Management Safety Committee. Representation on the Committee, to be specifically determined by the parties, shall include one person from the Union and other participating unions, and representatives from appropriate Departments in the Postal Service. Not later than 60 days following the effective date of this Collective Bargaining Agreement, designated representatives of the Union and Management will meet for the purpose of developing a comprehensive agenda which will include all aspects of the Employer's Safety Program. Subsequent to the development of this agenda priorities will be established and a tentative schedule will be developed to insure full discussion of all topics. Meetings may also be requested by either party for the specific purpose of discussing additional topics of interest within the scope of the Committee.

- A2 The responsibility of the Committee will be to evaluate and make recommendations on all aspects of the Employer's Safety Program, to include program adequacy, implementation at the local level, and studies being conducted for improving the work environment.
- A3 The Chairman will be designated by the Employer. The participating unions may designate a coordinator who, in conjunction with the Chairman, shall schedule the meetings, and recommend priorities on new agenda items. In addition, the coordinator may assist the Chairman in conducting the activities of the Committee. The Employer shall furnish the Unions information relating to injuries, illness and safety, including the morbidity and mortality experience of employees. This report shall be in form of reports furnished OSHA on a quarterly basis.
- A4 The Headquarters level Committee will meet quarterly and the Employer and Union Representatives will exchange proposed agenda items two weeks before the scheduled meetings. If problems or items of a significant, National nature arise between scheduled quarterly meetings any party may request a special meeting of the Committee. Any party will have the right to be accompanied to any Committee meeting by no more than two technical advisors.
- A5 There shall be established at the Employer's Regional level, a Regional Joint Labor-Management Safety Committee, which will be scheduled to meet quarterly. The Employer and Union Representatives will exchange proposed agenda items two weeks before the scheduled meetings. If problems or items of a significant, regional nature arise between scheduled quarterly meetings, any party may request a special meeting of the Committee. Any party will have the right to be accompanied to any committee meeting by no more than two technical advisors.
- A6 Representation on the Committee shall include one person from the Union and other participating unions and appropriate representatives from the Postal Service Regional Office. The Chairman will be designated by the Employer.
- B The Employer will make Health Service available for the treatment of job related injury or illness where it determines they are needed. The Health Service will be avail-

able from any of the following sources: U.S. Public Health Service; other government or public medical sources within the area; independent or private medical facilities or services that can be contracted for; or in the event funds, spaces and personnel are available for such purposes, they may be staffed at the installation. The Employer will promulgate appropriate regulations which comply with applicable regulations of the Office of Workers Compensation Program, including employee choice of health services.

- C The Employer will comply with Section 19 of the Williams-Steiger Occupational Safety and Health Act.

Section 14.4 Local Safety Committee

At each postal installation having 50 or more employees, a Joint Labor-Management Safety and Health Committee will be established. Similar committees may be established upon request of the installation head in installations having fewer than 50 employees, as appropriate. Where no Safety and Health Committee exists, safety and health items may be placed on the agenda and discussed at labor-management meetings. There shall be equal representation on the Committee between the participating unions and management. The representation on the Committee, to be specifically determined by the parties, shall include one person from each of the participating unions and appropriate management representatives. The Chairman will be designated by the Employer.

Section 14.5 Subjects for Discussion

Individual grievances shall not be made the subject of discussion during Safety and Health Committee meetings.

Section 14.6 Employee Participation

It is the intent of this program to insure broad exposure to employees, to develop interest by active participation of employees, to insure new ideas being presented to the Committee and to make certain that employees in all areas of an installation have an opportunity to be represented. At the same time, it is recognized that for the program to be effective, it is desirable to provide for a continuity in the committee work from year to year. Therefore, except for the Chairman and Secretary, the Committee members shall serve three-year terms and shall at the discretion of the Union be eligible to succeed themselves.

Section 14.7 Local Committee Meetings

The Safety and Health Committee shall meet at least quarterly and at such other times as requested by a Committee member and ap-

proved by the Chairman in order to discuss significant problems or items. The meeting shall be on official time. Each Committee member shall submit agenda items to the Secretary at least three (3) days prior to the meeting. A member of the Medical/Health Unit will be invited to participate in the meeting of the Labor-Management Safety and Health Committee when agenda item(s) relate to the activities of the Medical/Health Unit.

Section 14.8 Local Committee Responsibilities

- A The Committee shall review the progress in accident prevention and health at the installation; determine program areas which should have increased emphasis; and it may investigate major accidents which result in disabling injuries. Items properly relating to employee safety and health shall be considered appropriate discussion items. In addition, the Committee shall promote the cause of Safety and Health in the installation by:
- A1 Reviewing Safety and Health suggestions, safety training records and reports of unsafe conditions or practices.
 - A2 Reviewing local Safety and Health rules.
 - A3 Identifying employee unsafe work practices and assisting in enforcing safety work rules.
- B The Committee shall at its discretion render reports to the installation head and may at its discretion make recommendations to the installation head for action on matters concerning safety and health. The installation head shall within a reasonable period of time advise the Committee that the recommended action has been taken or advise the Headquarters Safety and Health Committee and the President of the participating local unions as to why it has not. Any member of the Committee may also submit a written report to the Headquarters Safety and Health Committee in the event the Committee's recommendations are not implemented.
- C Upon proper written request to the Chairman of the Committee, on-the-spot inspection of particular troublesome areas may be made by individual Committee members or a Subcommittee or the Committee as a whole. Such request shall not be unreasonably denied. When so approved, the Committee members shall be on official time while making such inspection.
- D A Union representative from the local Safety and Health Committee may participate on the annual inspection, con-

ducted by the District Director, E&LR, in the main facility of each MSC and BMC, provided that the Union represents employees at the main facility of the MSC or BMC being inspected. In no case shall there be more than one (1) Union representative on such inspections.

E A Union representative from the local Safety and Health Committee may participate on other inspections of the main facility of each post office, MSC, BMC, or other installation with 100 or more man years of employment in the regular work force, and of an individual station or branch where the station or branch has 100 or more man years of employment in the regular work force, provided that the Union represents employees at the main facility or station or branch and provided that the Union representative is domiciled at the main facility or station or branch to be inspected.

If the Union representative to the local Safety and Health Committee is not domiciled at the main facility or station or branch to be inspected and if the Union represents employees at that main facility or station or branch, the Union may designate a representative domiciled at the main facility, or station or branch to be inspected to participate on the inspection. In no case shall there be more than one (1) Union representative on such inspections.

F One Union representative from the local Safety and Health Committee, selected on a rotational basis by the participating Unions, may participate on the annual inspection of each installation with less than 100 man years of employment in the regular work force, where such Committee exists in the installation being inspected. In those installations that do not have a Safety and Health Committee, the inspector shall afford the opportunity for a bargaining unit employee from that installation to accompany him during these inspections.

G An appointed member of a local committee will receive an orientation by the Employer which will include:

- G1 Responsibilities of the Committee and its members.
- G2 Basic elements of the Safety and Health Program.
- G3 Identification of hazards and unsafe practices.
- G4 Explanation of reports and statistics reviewed and analyzed by the Committee.

H Since it has been some time since some members of Safety Committees received orientation, all current members will receive an orientation not later than May 1, 1982.

I Where an investigation board is appointed by a Regional Postmaster General or a District Manager to investigate a fatal or serious industrial non-criminal accident and/or injury, the Union at the installation will be advised promptly. When requested by the Union, a representative from the local Safety and Health Committee will be permitted to accompany the board in its investigation.

J In installations where employees represented by the Union accept, handle and/or transport hazardous materials, the Employer will establish a program of promoting safety awareness through communications and/or training, as appropriate. Elements of such a program would include, but not be limited to:

- J1 Information postings, pamphlets or articles in Postal and Regional Bulletins.
- J2 Distribution of Publication 52 to employees whose duties require acceptance of and handling hazardous items.
- J3 On-the-job training of employees whose duties require the handling and/or transportation of hazardous items.

Section 14.9 Field Federal Safety and Health Councils

In those cities where Field Federal Safety and Health Councils exist, one representative of the **Mail Handler Union** who is on the Local Safety and Health Committee in an independent postal installation in that city and who serves as a member of such Councils, will be permitted to attend the meetings. Such employee will be excused from regularly assigned duties without loss of pay. Employer authorized payment as outlined above will be granted at the applicable straight time rate, provided the time spent in such meetings is a part of the employee's regular work day.

ARTICLE 15

GRIEVANCE-ARBITRATION PROCEDURE

Section 15.1 Definition

A grievance is defined as a dispute, difference, disagreement or complaint between the parties related to wages, hours, and conditions of employment. A grievance shall include, but is not limited to, the complaint of an employee or of the Union which involves the interpretation, application of, or compliance with the provisions of this Agreement or any local Memorandum of Understanding not in conflict with this Agreement.

Section 15.2 Grievance Procedure—Steps

Step 1: (a) Any employee who feels aggrieved must discuss the grievance with the employee's immediate supervisor within fourteen (14) days of the date on which the employee or the Union first learned or may reasonably have been expected to have learned of its cause. The employee, if he or she so desires, may be accompanied and represented by the employee's steward or a Union representative. The Union also may initiate a grievance at Step 1 within 14 days of the date the Union first became aware of (or reasonably should have become aware of) the facts giving rise to the grievance. In such case the participation of an individual grievant is not required. A Step 1 Union grievance may involve a complaint affecting more than one employee in the office.

(b) In any such discussion the supervisor shall have authority to settle the grievance. The steward or other Union representative likewise shall have authority to settle or withdraw the grievance in whole or in part. No resolution reached as a result of such discussion shall be a precedent for any purpose.

(c) If no resolution is reached as a result of such discussion, the supervisor shall render a decision orally stating the reasons for the decision. The supervisor's decision should be stated during the discussion, if possible, but in no event shall it be given to the Union representative (or the grievant, if no Union representative was requested) later than five (5) days thereafter unless the parties agree to extend the five (5) day period. Within five (5) days after the supervisor's decision, the supervisor shall, at the request of the Union representative, initial the standard grievance form that is used at Step 2 confirming the date upon which the decision was rendered.

(d) The Union shall be entitled to appeal an adverse decision to Step 2 of the grievance procedure within ten (10) days after receipt of the supervisor's decision. Such appeal shall be made by completing a standard grievance form developed by agreement of the parties, which shall include appropriate space for at least the following:

1. Detailed statement of facts;
2. Contentions of the grievant;
3. Particular contractual provisions involved; and
4. Remedy sought.

Step 2: (a) The standard grievance form appealing to Step 2 shall be filed with the installation head or designee. In any associate post office of twenty (20) or less employees, the Employer shall designate an official outside of the installation as the Step 2 official, and shall so notify the Union Step 1 representative.

(b) Any grievance initiated at Step 2, pursuant to Article 2 of this Agreement, must be filed within 14 days of the date on which the Union or the employee first learned or may reasonably have been expected to have learned of its cause.

(c) The installation head or designee will meet with the steward or a Union representative as expeditiously as possible, but no later than seven (7) days following receipt of the Step 2 appeal unless the parties agree upon a later date. In all grievances appealed from Step 1 or filed at Step 2, the grievant shall be represented in Step 2 for all purposes by a steward or a Union representative who shall have authority to settle or withdraw the grievance as a result of discussions or compromise in this Step. The installation head or designee in Step 2 also shall have authority to grant or settle the grievance in whole or in part.

(d) At the meeting the Union representative shall make a full and detailed statement of facts relied upon, contractual provisions involved, and remedy sought. The Union representative may also furnish written statements from witnesses or other individuals. The Employer representative shall also make a full and detailed statement of facts and contractual provisions relied upon. The parties' representatives shall cooperate fully in the effort to develop all necessary facts, including the exchange of copies of all relevant papers or documents in accordance with Article 31. The parties' representatives may mutually agree to jointly interview witnesses where desirable to assure full development of all facts and contentions. In addition, in cases involving discharge either party shall have the right to present no more than two witnesses. Such right shall not preclude the parties from jointly agreeing to interview additional witnesses as provided above.

(e) Any settlement or withdrawal of a grievance in Step 2 shall be in writing or shall be noted on the standard grievance form, but shall not be a precedent for any purpose, unless the parties specifically so agree or develop an agreement to dispose of future similar or related problems.

(f) Where agreement is not reached the Employer's decision shall be furnished to the Union representative in writing within ten (10) days after the Step 2 meeting unless the parties agree to extend the ten (10) day period. The decision shall include a full statement of the Employer's understanding of (1) all relevant facts, (2) the contractual provisions involved, and (3) the detailed reasons for denial of the grievance.

(g) If the Union representative believes that the facts or contentions set forth in the decision are incomplete or inaccurate, such representative should, within ten (10) days of receipt of the Step 2 decision, transmit to the Employer's representative a written state-

ment setting forth corrections or additions deemed necessary by the Union. Any such statement must be included in the file as part of the grievance record in the case. The filing of such corrections or additions shall not affect the time limits for appeal to Step 3.

(h) The Union may appeal an adverse Step 2 decision to Step 3. Any such appeal must be made within fifteen (15) days after receipt of the Employer's decision unless the parties' representatives agree to extend the time for appeal. Any appeal must include copies of (1) the standard grievance form, (2) the Employer's written Step 2 decision, and, if filed (3) the Union corrections or additions to the Step 2 decision.

Step 3: (a) Any appeal from an adverse decision in Step 2 shall be in writing to the Regional Director for Employee and Labor Relations, with a copy to the Employer's Step 2 representative, and shall specify the reasons for the appeal.

(b) The grievant shall be represented at the Employer's Regional level by the Union's Regional representative, or designee. The Step 3 meeting of the parties' representatives to discuss the grievance shall be held at the respective Postal Service regional headquarters within fifteen (15) days after it has been appealed to Step 3. Each party's representative shall be responsible for making certain that all relevant facts and contentions have been developed and considered. The Union representative shall have authority to settle or withdraw the grievance in whole or in part. The Employer's representative likewise shall have authority to grant the grievance in whole or in part. In any case where the parties' representatives mutually conclude that relevant facts or contentions were not developed adequately in Step 2, they shall have authority to jointly return the grievance to the Step 2 level for full development of all facts and further consideration at that level. In such event, the parties' representatives at Step 2 shall meet within seven (7) days after the grievance is returned to Step 2. Thereafter, the time limits and procedures applicable to Step 2 grievances shall apply.

(c) The Employer's written Step 3 decision on the grievance shall be provided to the Union's Step 3 representative within fifteen (15) days after the parties have met in Step 3, unless the parties agree to extend the fifteen (15) day period. Such decision shall state the reasons for the decision in detail and shall include a statement of any additional facts and contentions not previously set forth in the record of the grievance as appealed from Step 2. Such decision also shall state whether the Employer's Step 3 representative believes that no interpretive issue under this Agreement or some supplement thereto which may be of general application is involved in the case.

(d) The Union may appeal an adverse decision directly to arbitration at the Regional level within twenty-one (21) days after the re-

ceipt of the Employer's Step 3 decision in accordance with the procedure hereinafter set forth; provided the Employer's Step 3 decision states that no interpretive issue under this Agreement or some supplement thereto which may be of general application is involved in the case.

(e) If either party's representative maintains that the grievance involves an interpretive issue under this Agreement, or some supplement thereto which may be of general application, the Union representative shall be entitled to appeal an adverse decision to Step 4 (National level) of the grievance procedure. Any such appeal must be made within twenty-one (21) days after receipt of the Employer's decision and include copies of the standard grievance form, the Step 2 and Step 3 decisions and, if filed, any Union corrections and additions filed at Steps 2 or 3. The Union shall furnish a copy of the Union appeal to the Regional Director of Employee and Labor Relations.

(f) Where grievances appealed to Step 3 involve the same, or substantially similar issues or facts, one such grievance to be selected by the Union representative shall be designated the "representative" grievance. If not resolved at Step 3, the "representative" grievance may be appealed to Step 4 of the grievance procedure or to arbitration in accordance with the above. All other grievances which have been mutually agreed to as involving the same, or substantially similar issues or facts as those involved in the "representative" grievance shall be held at Step 3 pending resolution of the "representative" grievance, provided they were timely filed at Step 1 and properly appealed to Steps 2 and 3 in accordance with the grievance procedure.

(g) Following resolution of the "representative" grievance, the parties involved in that grievance shall meet at Step 3 to apply the resolution to the other pending grievances involving the same, or substantially similar issues or facts. Disputes over the applicability of the resolution of the "representative" grievance shall be resolved through the grievance-arbitration procedures contained in this Article; in the event it is decided that the resolution of the "representative" grievance is not applicable to a particular grievance, the merits of that grievance shall also be considered.

Step 4: (a) In any case properly appealed or referred to this Step the parties shall meet at the National level promptly, but in no event later than thirty (30) days after filing such appeal or referral in an attempt to resolve the grievance. The Union representative shall have authority to settle or withdraw the grievance in whole or in part. The Employer's representative shall have authority to grant or settle the grievance in whole or in part. The parties' Step 4 representatives may, by mutual agreement, return any grievance to Step

3 where (a) the parties agree that no national interpretive issue is fairly presented or (b) it appears that all relevant facts have not been developed adequately. In such event, the parties shall meet at Step 3 within fifteen (15) days after the grievance is returned to Step 3. Thereafter the procedures and time limits applicable to Step 3 grievances shall apply. Following their meeting in any case not returned to Step 3, a written decision by the Employer will be rendered within fifteen (15) days after the Step 4 meeting unless the parties agree to extend the fifteen (15) day period. The decision shall include an adequate explanation of the reasons therefor. In any instance where the parties have been unable to dispose of a grievance by settlement or withdrawal, the National **President** of the Union shall be entitled to appeal it to arbitration at the National level within thirty (30) days after receipt of the Employer's Step 4 decision.

Section 15.3 Grievance Procedure—General

- A The parties expect that good faith observance, by their respective representatives, of the principles and procedures set forth above will result in settlement or withdrawal of substantially all grievances initiated hereunder at the lowest possible step and recognize their obligation to achieve that end.
- B The failure of the employee or the Union in Step 1, or the Union thereafter to meet the prescribed time limits of the Steps of this procedure, including arbitration, shall be considered as a waiver of the grievance. However, if the Employer fails to raise the issue of timeliness at Step 2, or at the step at which the employee or Union failed to meet the prescribed time limits, whichever is later, such objection to the processing of the grievance is waived.
- C Failure by the Employer to schedule a meeting or render a decision in any of the Steps of this procedure within the time herein provided (including mutually agreed to extension periods) shall be deemed to move the grievance to the next Step of the grievance-arbitration procedure.
- D It is agreed that in the event of a dispute between the Union and the Employer as to the interpretation of this Agreement, such dispute may be initiated as a grievance at the Step 4 level by the National **President** of the Union. Such a grievance shall be initiated in writing and must specify in detail the facts giving rise to the dispute, the precise interpretive issues to be decided and the contention of the Union. Thereafter the parties shall meet in Step 4 within thirty (30) days in an effort to define the precise issues involved, develop all necessary facts, and reach agreement.

Should they fail to agree, then, within fifteen (15) days of such meeting, each party shall provide the other with a statement in writing of its understanding of the issues involved, and the facts giving rise to such issues. In the event the parties have failed to reach agreement within sixty (60) days of the initiation of the grievance in Step 4, the Union then may appeal it to arbitration, within thirty (30) days thereafter.

Section 15.4 Arbitration

A General Provisions

- A1 A request for arbitration shall be submitted within the specified time limit for appeal.
- A2 No grievance may be arbitrated at the National level except when timely notice of appeal is given the Employer in writing by the National **President** of the Union. No grievance may be appealed to arbitration at the Regional level except when timely notice of appeal is given in writing to the appropriate Regional official of the Employer by the certified representative of the Union in the particular Region. Such representative shall be certified to appeal grievances by the National **President** of the Union to the Employer at the National level.
- A3 All grievances appealed to arbitration will be placed on the appropriate pending arbitration list in the order in which appealed. The Employer, in consultation with the Union, will be responsible for maintaining appropriate dockets of grievances, as appealed, and for administrative functions necessary to assure efficient scheduling and hearing of cases by arbitrators at all levels.
- A4 In order to avoid loss of available hearing time, except in National level cases, back-up cases should be scheduled to be heard in the event of late settlement or withdrawal of grievances before hearing. In the event that either party withdraws a case less than five (5) days prior to the scheduled arbitration date, and the parties are unable to agree on scheduling another case on that date, the party withdrawing the case shall pay the full costs of the arbitrator for that date. In the event that the parties settle a case or either party withdraws a case five (5) or more days prior to the scheduled arbitration date, the backup case on the appropriate arbitration list shall be scheduled. If the parties

settle a case less than five (5) days prior to the scheduled arbitration date and are unable to agree to schedule another case, the parties shall share the costs of the arbitrator for that date. This paragraph shall not apply to National level arbitration cases.

- A5 Arbitration hearings normally will be held during working hours where practical. Employees whose attendance as witnesses is required at hearings during their regular working hours shall be on Employer time when appearing at the hearing, provided the time spent as a witness is part of the employee's regular working hours.
- A6 All decisions of an arbitrator will be final and binding. All decisions of arbitrators shall be limited to the terms and provisions of this Agreement, and in no event may the terms and provisions of this Agreement be altered, amended, or modified by an arbitrator. Unless otherwise provided in this Article, all costs, fees and expenses charged by an arbitrator will be shared equally by the parties.
- A7 All arbitrators on the Regular Regional Panels and the Expedited Panels and on the National Panel shall serve for the term of this Agreement and shall continue to serve for six (6) months thereafter, unless the parties otherwise mutually agree.
- A8 Arbitrators on the National and on the Regular and Expedited Regional Panels shall be selected by the method agreed upon by the parties at the National Level. The parties shall meet for this purpose within ninety (90) days after signing this Agreement. In the event the parties cannot agree on individuals to serve on these panels, or to fill any vacancies, selection shall be made by the alternate striking of names from the appropriate list.
- B Regional Level Arbitration—Regular
- B1 At the Regional level three (3) separate lists of cases to be heard in arbitration shall be maintained for the Union:
- B1a one for all removal cases and cases involving suspensions for more than 30 days;
- B1b one for all cases **appealed or** referred to Expedited Arbitration; and
- B1c one for all other cases appealed to arbitration at the Regional Level.

- B2 Cases will be scheduled for arbitration in the order in which appealed, unless the Union and Employer otherwise agree.
- B3 Only discipline cases involving suspensions of 30 days or less and those other disputes as may be mutually determined by the parties shall be **appealed or** referred to Expedited Arbitration in accordance with Section 4C hereof.
- B4 Cases **appealed or** referred to arbitration, which involve removals or suspensions for more than 30 days, shall be scheduled for hearing at the Regional Level at the earliest possible date in the order in which appealed by the Union **or referred**.
- B5 If either party concludes that a case **appealed or** referred to Regional Arbitration involves an interpretative issue under the National Agreement or some supplement thereto which may be of general application, that party may withdraw the case from arbitration and refer the case to Step 4 of the grievance procedure. **The party referring the case to Step 4 shall pay the full costs of the arbitrator for that date unless another scheduled case is heard on that date.**
- B6 The arbitrators on each Regular Regional Panel shall be scheduled to hear cases on a rotating system basis, unless otherwise agreed by the parties.
- B7 Normally, there will be no transcripts of arbitration hearings or filing of post-hearing briefs in cases heard in Regular Regional level arbitration, except either party at the National level may request a transcript, and either party at the hearing may request to file a post-hearing brief. However, each party may file a written statement setting forth its understanding of the facts and issues and its argument at the beginning of the hearing and also shall be given an adequate opportunity to present argument at the conclusion of the hearing.
- B8 The arbitrator in any given case should render an award therein within thirty (30) days of the close of the record in the case.
- C Regional Level Arbitration—Expedited
- C1 The parties agree to continue the utilization of an expedited arbitration system for disciplinary cases of 30 days suspension or less which do not involve interpretation of this Agreement and for such other cases as

the parties may mutually determine. This system may be utilized by agreement of the Union through its National **President** or designee and the Senior Assistant Postmaster General, Employee and Labor Relations Group, or designee. In any such case, the FMCS or AAA shall immediately notify the designated arbitrator. The designated arbitrator is that member of the Expedited Panel who, pursuant to a rotation system, is scheduled for the next arbitration hearing. Immediately upon such notification the designated arbitrator shall arrange a place and date for the hearing promptly but within a period of not more than ten (10) working days. If the designated arbitrator is not available to conduct a hearing within the ten (10) working days, the next panel member in rotation shall be notified until an available arbitrator is obtained.

- C2 If either party concludes that the issues involved are of such complexity or significance as to warrant reference to the Regular Regional Arbitration Panel, that party shall notify the other party of such reference at least twenty-four (24) hours prior to the scheduled time for the expedited arbitration.
- C3 The hearing shall be conducted in accordance with the following:
 - C3a the hearing shall be informal;
 - C3b no briefs shall be filed or transcripts made;
 - C3c there shall be no formal rules of evidence;
 - C3d the hearing shall normally be completed within one day;
 - C3e if the arbitrator or the parties mutually conclude at the hearing that the issues involved are of such complexity or significance as to warrant reference to the Regular Regional Arbitration Panel, the case shall be referred to that panel; and
 - C3f the arbitrator may issue a bench decision at the hearing but in any event shall render a decision within forty-eight (48) hours after conclusion of the hearing. Such decision shall be based on the record before the arbitrator and may include a brief written explanation of the basis for such conclusion. These decisions will not be cited as a precedent. The arbitrator's decision shall be final and binding. An arbitrator

who issues a bench decision shall furnish a written copy of the award to the parties within forty-eight (48) hours of the close of the hearing.

- C4 No decision by a member of the Expedited Panel in such a case shall be regarded as a precedent or be cited in any future proceeding, but otherwise will be a final and binding decision.
 - C5 The Expedited Arbitration Panel shall be developed by the National parties, on an area basis, with the aid of the American Arbitration Association and the Federal Mediation and Conciliation Service.
- D National Level Arbitration
- D1 Only cases involving interpretive issues under this Agreement or supplements thereto of general application will be arbitrated at the National level.
 - D2 A docket of cases appealed to arbitration at the National level shall be maintained for the Union. The arbitrators on the National Panel shall be scheduled to hear cases on a rotating system basis, unless otherwise agreed by the parties. Cases on the docket will be scheduled for arbitration in the order in which appealed, unless the Union and Employer otherwise agree.

Section 15.5 Administration

The parties recognize their continuing joint responsibility for efficient functioning of the grievance procedure and effective use of arbitration. The Employer will furnish to the National **President** of the Union a copy of a quarterly report containing the following information covering operation of the arbitration procedure at the National level, and for each Region separately:

- A number of cases appealed to arbitration;
- B number of cases scheduled for hearing;
- C number of cases heard;
- D number of scheduled hearing dates, if any, which were not used;
- E the total number of cases pending but not scheduled at the end of the quarter.

ARTICLE 16
DISCIPLINE PROCEDURE

Section 16.1 Statement of Principle

In the administration of this Article, a basic principle shall be that discipline should be corrective in nature, rather than punitive. No employee may be disciplined or discharged except for just cause such as, but not limited to, insubordination, pilferage, intoxication (drugs or alcohol), incompetence, failure to perform work as requested, violation of the terms of this Agreement, or failure to observe safety rules and regulations. Any such discipline or discharge shall be subject to the grievance-arbitration procedure provided for in this Agreement, which could result in reinstatement and restitution, including back pay.

Section 16.2 Discussions

For minor offenses by an employee, management has a responsibility to discuss such matters with the employee. Discussions of this type shall be held in private between the employee and the supervisor. Such discussions are not considered discipline and are not grievable. Following such discussions, there is no prohibition against the supervisor and/or the employee making a personal notation of the date and subject matter for their own personal record(s). However, no notation or other information pertaining to such discussion shall be included in the employee's personnel folder. While such discussions may not be cited as an element of a prior adverse record in any subsequent disciplinary action against an employee, they may be, where relevant and timely, relied upon to establish that employees have been made aware of their obligations and responsibilities.

Section 16.3 Letter of Warning

A letter of warning is a disciplinary notice in writing, identified as an official disciplinary letter of warning, which shall include an explanation of a deficiency or misconduct to be corrected.

Section 16.4 Suspensions of 14 Days or Less

In the case of discipline involving suspensions of fourteen (14) days or less, the employee against whom disciplinary action is sought to be initiated shall be served with a written notice of the charges against the employee and shall be further informed that he/she will be suspended after two (2) working days during which two-day period the employee shall remain on the job or on the clock (in pay status) at the option of the Employer.

Section 16.5 Suspensions of More Than 14 Days or Discharge

In the case of suspensions of more than fourteen (14) days, or of discharge, any employee shall, unless otherwise provided herein, be entitled to an advance written notice of the charges against him/her and shall remain either on the job or on the clock at the option of the Employer for a period of thirty (30) days. Thereafter, the employee shall remain on the rolls (non-pay status) until disposition of the case has been had either by settlement with the Union or through exhaustion of the grievance-arbitration procedure. A preference eligible who chooses to appeal a suspension of more than fourteen (14) days or his discharge to the Merit Systems Protection Board (MSPB) rather than through the grievance-arbitration procedure shall remain on the rolls (non-pay status) until disposition of the case has been had either by settlement or through exhaustion of his MSPB appeal. When there is reasonable cause to believe an employee is guilty of a crime for which a sentence of imprisonment can be imposed, the Employer is not required to give the employee the full thirty (30) days' advance written notice in a discharge action, but shall give such lesser number of days advance written notice as under the circumstances is reasonable and can be justified. The employee is immediately removed from a pay status at the end of the notice period.

Section 16.6 Indefinite Suspension—Crime Situation

- A The Employer may indefinitely suspend an employee in those cases where the Employer has reasonable cause to believe an employee is guilty of a crime for which a sentence of imprisonment can be imposed. In such cases, the Employer is not required to give the employee the full thirty (30) days advance notice of indefinite suspension, but shall give such lesser number of days of advance written notice as under the circumstances is reasonable and can be justified. The employee is immediately removed from a pay status at the end of the notice period.
- B The just cause of an indefinite suspension is grievable. The arbitrator shall have the authority to reinstate and make the employee whole for the entire period of the indefinite suspension.
- C If after further investigation or after resolution of the criminal charges against the employee, the Employer determines to return the employee to a pay status, the employee shall be entitled to back pay for the period that the indefinite suspension exceeded seventy (70) days, if the employee was otherwise available for duty, and without prejudice to any grievance filed under 6B above.

D The Employer may take action to discharge an employee during the period of an indefinite suspension whether or not the criminal charges have been resolved, and whether or not such charges have been resolved in favor of the employee. Such action must be for just cause, and is subject to the requirements of Section 16.5 of this Article.

Section 16.7 Emergency Procedure

An employee may be immediately placed on an off-duty status (without pay) by the Employer, but remain on the rolls where the allegation involves intoxication (use of drugs or alcohol), pilferage, or failure to observe safety rules and regulations, or in cases where retaining the employee on duty may result in damage to U.S. Postal Service property, loss of mail or funds, or where the employee may be injurious to self or others. The employee shall remain on the rolls (non-pay status) until disposition of the case has been had. If it is proposed to suspend such an employee for more than thirty (30) days or discharge the employee, the emergency action taken under this Section may be made the subject of a separate grievance.

Section 16.8 Review of Discipline

- A In no case may a supervisor impose suspension or discharge upon an employee unless the proposed disciplinary action by the supervisor has first been reviewed and concurred in by the installation head or designee.
- B In associate post offices of twenty (20) or less employees, or where there is no higher level supervisor than the supervisor who proposes to initiate suspension or discharge, the proposed disciplinary action shall first be reviewed and concurred in by a higher authority outside such installation or post office before any proposed disciplinary action is taken.

Section 16.9 Veterans' Preference

A preference eligible is not hereunder deprived of whatever rights of appeal such employee may have under the Veterans' Preference Act; however, if the employee appeals under the Veterans' Preference Act, the employee thereby waives access to any procedure under the Agreement beyond Step 3 of the grievance-arbitration procedure.

Section 16.10 Employee Discipline Records

The records of a disciplinary action against an employee shall not be considered in any subsequent disciplinary action if there has been no disciplinary action initiated against the employee for a period of two years. Upon the employee's written request, a discipli-

nary notice or decision letter will be removed from the employee's official personnel folder after two years if there has been no disciplinary action initiated against the employee in that two-year period.

ARTICLE 17

REPRESENTATION

Section 17.1 Stewards

Stewards may be designated for the purpose of investigating, presenting and adjusting grievances.

Section 17.2 Appointment of Stewards

- A The Union will certify to the Employer in writing a steward or stewards and alternates in accordance with the following general guidelines. Where more than one steward is appointed, one shall be designated chief steward. The selection and appointment of stewards or chief stewards is the sole and exclusive function of the Union. Stewards will be certified to represent employees in specific work location(s) on their tour; provided no more than one steward may be certified to represent employees in a particular work location(s). The number of stewards shall be in accordance with the formula as hereinafter set forth:

Employees in the bargaining unit per tour or station

Up to 49	"	1 steward
50 to 99	"	2 stewards
100 to 199	"	3 stewards
200 to 499	"	5 stewards
500 or more	"	5 stewards plus additional steward for each 100 employees

- B At an installation, the Union may designate in writing to the Employer one Union officer actively employed at that installation to act as a steward to investigate, present and adjust a specific grievance or to investigate a specific problem to determine whether to file a grievance. The activities of such Union officer shall be in lieu of a steward designated under the formula in Section 2A and shall be in accordance with Section 17.3. Payment, when applicable, shall be in accordance with Section 17.4.

- C To provide steward service to a number of small installations where a steward is not provided by the above formula, the Union representative certified to the Employer in writing and compensated by the Union may perform the duties of a steward.
- D At the option of the Union, representatives not on the Employer's payroll shall be entitled to perform the functions of a steward or chief steward, provided such representatives are certified in writing to the Employer at the regional level and providing such representatives act in lieu of stewards designated under the provisions of 2A or 2B above.

Section 17.3 Rights of Stewards

- A When it is necessary for a steward to leave his/her work area to investigate and adjust grievances or to investigate a specific problem to determine whether to file a grievance, the steward shall request permission from the immediate supervisor and such request shall not be unreasonably denied. In the event the duties require the steward leave the work area and enter another area within the installation or post office, the steward must also receive permission from the supervisor from the other area he/she wishes to enter and such request shall not be unreasonably denied.
- B The steward, chief steward or other Union representative properly certified in accordance with Section 17.2 above may request and shall obtain access through the appropriate supervisor to review the documents, files and other records necessary for processing a grievance or determining if a grievance exists and shall have the right to interview the aggrieved employee(s), supervisors and witnesses during working hours. Such requests shall not be unreasonably denied.
- C While serving as a steward or chief steward, an employee may not be involuntarily transferred to another tour, to another station or branch of the particular post office or to another independent post office or installation unless there is no job for which the employee is qualified on such tour, or in such station or branch, or post office. If an employee requests a steward or Union representative to be present during the course of an interrogation by the Inspection Service, such request will be granted. All polygraph tests will continue to be on a voluntary basis.

Section 17.4 Payment of Stewards

- A The Employer will authorize payment only under the following conditions:

Grievances:

Steps 1 and 2—The aggrieved and one Union steward (only as permitted under the formula in Section 2A) for time actually spent in grievance handling, including investigation and meetings with the Employer. The Employer will also compensate a steward for the time reasonably necessary to write a grievance. In addition, the Employer will compensate any witnesses for the time required to attend a Step 2 meeting.

Meetings called by the Employer for information exchange and other conditions designated by the Employer concerning contract application.

- B Employer authorized payment as outlined above will be granted at the applicable straight time rate, providing the time spent is a part of the employee's or steward's (only as provided for under the formula in Section 2A) regular work day.

Section 17.5 Union Participation in New Employee Orientation

During the course of any employment orientation program for new employees, a representative of the Union representing the craft to which the new employees are assigned shall be provided ample opportunity to address such new employees, provided that this provision does not preclude the Employer from addressing employees concerning the same subject.

Section 17.6 Checkoff

- A In conformity with Section 2 of the Act, 39 U.S.C. 1205, without cost to the Union, the Employer shall deduct and remit to the Union the regular and periodic Union dues from the pay of employees who are members of such Union, provided that the Employer has received a written assignment which shall be irrevocable for a period of not more than one year, from each employee on whose account such deductions are to be made. The Employer agrees to remit to the Union all deductions to which it is entitled prior to the end of the month for which such deductions are

made. Deductions shall be in such amounts as are designated to the Employer in writing by the Union.

- B The authorization of such deductions shall be in the following form:

**AUTHORIZATION FOR DEDUCTION OF DUES
UNITED STATES POSTAL SERVICE**

I hereby assign to the National Post Office Mail Handlers, Watchmen, Messengers and Group Leaders Division of the Laborers' International Union of North America, AFL-CIO, Local Union No. _____, from any salary or wages earned or to be earned by me as your employee (in my present or any future employment by you) such regular and periodic membership dues as the Union may certify as due and owing from me, as may be established from time to time by said Union. I authorize and direct you to deduct such amounts from my pay and to remit same to said Union at such times and in such manner as may be agreed upon between you and the Union at any time while this authorization is in effect.

This assignment, authorization and direction shall be irrevocable for a period of one (1) year from the date of delivery hereof to you, and I agree and direct that this assignment, authorization and direction shall be automatically renewed, and shall be irrevocable for successive periods of one (1) year, unless written notice is given by me to you and the Union not more than twenty (20) days and not less than ten (10) days prior to the expiration of each period of one (1) year.

ARTICLE 18

NO STRIKE

Section 18.1

The Union in behalf of its members agrees that it will not call or sanction a strike or slowdown.

Section 18.2

The Union or its local Unions (whether called Area Locals or by other names) will take reasonable action to avoid such activity and where such activity occurs, immediately inform striking employees they are in violation of this Agreement and order said employees back to work.

Section 18.3

It is agreed that the Union or its local Unions (whether called Area Locals or by other names) which comply with the requirements of this Article shall not be liable for the unauthorized action of their members or other postal employees.

Section 18.4

The parties agree that the provisions of this Article shall not be used in any way to defeat any current or future legal action involving the constitutionality of existing or future legislation prohibiting Federal employees from engaging in strike actions. The parties further agree that the obligations undertaken in this Article are in no way contingent upon the final determination of such constitutional issues.

ARTICLE 19

HANDBOOKS AND MANUALS

Section 19.1

Those parts of all handbooks, manuals and published regulations of the Postal Service, that directly relate to wages, hours or working conditions, as they apply to employees covered by this Agreement, shall contain nothing that conflicts with this Agreement, and shall be continued in effect except that the Employer shall have the right to make changes that are not inconsistent with this Agreement and that are fair, reasonable, and equitable. This includes, but is not limited to, the Postal Service Manual and the F-21 Timekeeper's Instructions.

Section 19.2

Notice of such proposed changes that directly relate to wages, hours, or working conditions will be furnished to the Union at the national level at least **sixty (60)** days prior to issuance. At the request of the Union, the parties shall meet concerning such changes. If the Union, after the meeting, believes the proposed changes violate this Agreement (including this Article), it may then submit the issue to arbitration in accordance with the arbitration procedure within **sixty (60)** days after receipt of the notice of proposed change. Copies of those parts of all new handbooks, manuals and regulations that directly relate to wages, hours or working conditions, as they apply to employees covered by this Agreement, shall be furnished the Union upon issuance.

ARTICLE 20

PARKING

Section 20.1 Parking Program

The existing parking program will remain in effect.

Section 20.2 Security

Recognizing the need for adequate security for employees in parking areas, and while en route to and from parking areas, the Employer will take reasonable steps, based on the specific needs of the individual location, to safeguard employee security, including, but not limited to, establishing liaison with local police authorities, requesting the assignment of additional uniformed police in the area, improving lighting and fencing, and, where available, utilizing mobile security force patrols.

Section 20.3 Energy Usage

In order to reduce energy usage the Employer and the Union will promote the use of carpooling and public transportation, where available.

Section 20.4 Parking

- A In postal facilities where parking is on a first-come/first-served basis, there will not be a parking space assigned to the designated agent of the Mail Handlers Union, except where such space has been previously negotiated.**
- B In postal facilities where at least one space has been assigned to a postal employee (either bargaining or non-**

bargaining), a parking space shall be assigned to the designated agent of the Mail Handlers Union.

- C The provisions of B above will not apply to parking spaces assigned for the handicapped, nonpostal people (i.e., tenants), customers, postal vehicles, personal vehicles normally utilized in official postal duties or if a parking space is assigned adjunct to a security post. The above provisions are not intended to eliminate any parking space previously acquired by the designated agent of the Mail Handler Union through local negotiations.

Section 20.5 Committee

The parking program is a proper subject for discussion at Labor-Management Committee meetings at the national level provided in Article 38.

ARTICLE 21

BENEFIT PLANS

Section 21.1 Health Benefits

The Employer will continue its contribution to the cost of the health insurance program of 75% based on the present method of computation. The term "present method of computation" refers to the following:

- A The bi-weekly contributions by the Employer for employees shall be an amount equal to 7% of the average of the subscription charges in effect on the first day of the first pay period of January 1984 for employees of the United States as defined in 5 U.S.C. 8901, with respect to self alone or self and family enrollments, as applicable, for the highest level of benefits offered by—
- A1 The service benefit plan;
 - A2 the indemnity benefit plan;
 - A3 the two employee organization plans with the largest number of enrollments as determined by the Office of Personnel Management; and
 - A4 the two comprehensive medical plans with the largest number of enrollments, as determined by the Office of Personnel Management.
- B The amount of contributions by the Employer for employees shall be readjusted beginning on the first pay period of January 1985 in accordance with the annual readjustment

of the average by the Office of Personnel Management as provided above or in other words, 75 percent of said adjusted average.

WORK**

MEMORANDUM OF UNDERSTANDING

It is agreed between the U.S. Postal Service and the National Post Office Mail Handlers, Watchmen, Messengers, and Group Leaders Division, LIUNA, that where additional work hours would have been assigned to employees but for a violation of Article 1, Section 1.6.A of the 1984-1987 National Agreement and where such work hours are not de minimis, the employee(s) whom management would have assigned the work shall be paid for the time involved at the applicable rate.

CROSS CRAFT

MEMORANDUM OF UNDERSTANDING

It is understood by the parties that in applying the provisions of Articles 7, 12 and 13 of this Agreement, cross craft assignments of employees, on both a temporary and permanent basis, shall continue as they were made among the six crafts under the 1978 National Agreement.

PART-TIME REGULARS

MEMORANDUM OF UNDERSTANDING

The parties hereby agree that the United States Postal Service will not hire or assign part-time regular Mail Handlers in lieu of or to the detriment of full-time regular or part-time flexible Mail Handlers. As a result of this agreement, it is not the intention of the United States Postal Service for their managers to modify their current scheduling policies and practices concerning bargaining unit employees, especially part-time flexible Mail Handlers. Part-time regular Mail Handlers are to be hired and given work assignments based on operational needs, such as meeting fluctuations in mail volume and mail flow, service delivery standards, and other operational deadlines, to accomplish work requirements.

It is understood that this agreement in no way requires the United States Postal Service to guarantee a specific or minimum number of work hours in a service week to part-time flexible Mail Handlers. In addition, this agreement does not require the United States Postal Service to guarantee a specific or minimum number of part-time flexible or full-time regular Mail Handler positions in particular installations or nationwide.

The parties further agree to establish a joint National study committee, to be composed of an equal number of members from each party, to explore issues and conditions created by the hiring and assignment of part-time regular Mail Handlers as a result of the modification of Article 7.3 with respect to the part-time regular category. This committee will study assignment practices and will periodically review the effects of the modification of Article 7.3 with respect to the part-time regular category on the Mail Handlers bargaining unit.

IMPROPER BY-PASS OVERTIME

MEMORANDUM OF UNDERSTANDING

1. When, for any reason, an employee on the "Overtime Desired" list who has the necessary skills and who is available is improperly passed over and another employee on the list is selected for overtime work out of rotation, the following shall apply:
 - a. An employee who was passed over shall, within ninety (90) days of the date the error is discovered, be given a similar make-up overtime opportunity for which he has the necessary skills.
 - b. Should no similar make-up overtime opportunity present itself within ninety (90) days subsequent to the discovery of the missed opportunity, the employee who was passed over shall be compensated at the overtime rate for a period equal to the opportunity missed.
2. When, for any reason, an employee on the "Overtime Desired" list who has the necessary skills and who is available is improperly passed over and another employee not on the list is selected for overtime work, the employee who was passed over shall be paid for an equal number of hours at the overtime rate for the opportunity missed.
3. When a question arises as to the proper administration of the "Overtime Desired" list at the local level, a Mail Handler steward may have access to appropriate overtime records.

PENALTY OVERTIME PAY

MEMORANDUM OF UNDERSTANDING

Recognizing that excessive use of overtime is inconsistent with the best interests of postal employees and the Postal Service, it is the intent of the parties in adopting changes to Article 8 to limit overtime, to avoid excessive mandatory overtime, and to

protect the interests of employees who do not wish to work overtime, while recognizing that bona fide operational requirements do exist that necessitate the use of overtime from time to time. The parties have agreed to certain additional restrictions on overtime work, while agreeing to continue the use of overtime desired lists to protect the interests of those employees who do not want to work overtime, and the interests of those who seek to work limited overtime. The parties agree this Memorandum does not give rise to any contractual commitment beyond the provisions of Article 8, but is intended to set forth the underlying principles which brought the parties to agreement.

The new provisions of Article 8 contain different restrictions than the old language. However, the new language is not intended to change existing practices relating to use of employees not on the overtime desired list when there are insufficient employees on the list available to meet the overtime needs. For example, if there are five available employees on the overtime desired list and five not on it, and if 10 workhours are needed to get the mail out within the next hour, all ten employees may be required to work overtime. But if there are 2 hours within which to get the mail out, then only the five on the overtime desired list may be required to work.

The parties agree that Article 8, Section 8.5.G.1., does not permit the Employer to require employees on the overtime desired list to work overtime on more than 4 of the employee's 5 scheduled days in a service week, over 8 hours on a nonscheduled day, or over 6 days in a service week.

Normally, employees on the overtime desired list who don't want to work more than 10 hours a day or 56 hours a week shall not be required to do so as long as employees who do want to work more than 10 hours a day or 56 hours a week are available to do the needed work without exceeding the 12-hour and 60-hour limitations.

In the event these principles are contravened, the appropriate correction shall not obligate the Employer to any monetary obligation, but instead will be reflected in a correction to the opportunities available within the list.

In order to achieve the objectives of this Memorandum, the method of implementation of these principles shall be to provide, during the 2-week period prior to the start of each calendar quarter, an opportunity for employees placing their name on the list to indicate their availability for the duration of the quarter to work in excess of 10 hours in a day. During the quarter the Employer may require employees on the overtime de-

sired list to work these extra hours if there is an insufficient number of employees available who have indicated such availability at the beginning of the quarter.

The penalty overtime provisions of Article 8, Section 8.4. are not intended to encourage or result in the use of any overtime in excess of the restrictions contained in Article 8, Section 8.5.F.

ANNUITY PROTECTION PROGRAM MEMORANDUM OF UNDERSTANDING

This will confirm our agreement that the Postal Service guarantees that no employee, whose basic pay is not increased by the amount of \$1,643 (the annualized cost-of-living adjustments accumulated during the life of the 1981 National Agreement) before the first full pay period of April, 1985, due to the provisions set forth in Article 9, Section 9.4, of the 1984 National Agreement, will suffer any diminution of annuity (e.g., optional, disability, or survivors benefits), by reason thereof.

Such annuity protection is subject to the right of the Postal Service to offset the employee contributions that would have been made had the COLA amount been added to basic pay in the first full pay period of April, 1985. Such protection shall be afforded by either supplemental annuity payments or by a single lump sum discounted payment, at the option of the Postal Service.

HOLIDAY SCHEDULING MEMORANDUM OF UNDERSTANDING

The U.S. Postal Service and the National Post Office Mail Handlers, Watchmen, Messengers and Group Leaders Division of the Laborers' International Union of North America, AFL-CIO, agree to the following regarding the scheduling of holidays:

1. The Employer shall post a holiday schedule as set forth in Article 11, Section 6, of this Agreement.
2. A full-time regular employee whose holiday schedule is properly posted in accordance with Article 11, Section 6, and who works within the posted schedule shall be paid in accordance with Article 11, Sections 2, 3, and 4. It is further agreed that any change in an employee's required duties does not constitute a change in the posted schedule for purposes of this memorandum of understanding.

3. a. Except as provided in subparagraphs (b) and (c) of this paragraph, when the Employer fails to post in accordance with Article 11, Section 6, a full-time regular employee required to work on his/her holiday, or who volunteers to work on such holiday, shall be paid in accordance with Article 11, Sections 2, 3, and 4, and shall receive an additional fifty percent (50%) of the employee's base hourly straight-time rate for each hour worked up to eight hours.
 - b. In the event that, subsequent to the Article 11, Section 6, posting period, an emergency situation attributable to an "Act(s) of God" arises which requires the use of manpower on that holiday in excess of that posted pursuant to the Article 11, Section 6, full-time regular employees required to work in this circumstance(s) shall only be paid for such holiday work in accordance with Article 11, Sections 2, 3, and 4.
 - c. When a full-time regular employee scheduled to work on a holiday in accordance with the provisions of Article 11, Section 6, is unable to or fails to work on the holiday, the Employer may require another full-time regular employee to work such schedule and such replacement employee shall only be paid for such holiday work in accordance with Article 11, Sections 2, 3, and 4. The selection of such replacement employees shall be made in accordance with the terms of this Agreement.
 - d. A full-time regular employee required to work on a holiday which falls on the employee's regularly scheduled non-work day shall be paid at the normal overtime rate of one and one-half (1½) times the base hourly straight-time rate for work performed on such day. Such employee's entitlement to the holiday pay for the designated holiday shall be governed by the provisions of Article 11, Sections 2, 3, 5, and 6.
4. Hours worked on a holiday in excess of 8 hours shall be paid at the normal overtime rate of one and one-half (1½) times the base hourly straight time rate.
 5. When a full-time regular employee works on his/her holiday, the employee will be guaranteed eight (8) hours of work or pay in lieu thereof, in addition to the holiday pay to which the employee is entitled under Article 11, Sections 2 and 3 language. This guarantee will be waived if the employee, with the concurrence of the Union and approval of Management, requests to be released early.
 6. A schedule posted in accordance with Article 11, Section 6, shall be the full-time regular employee's schedule for that hol-

iday. A full-time regular employee who works outside of the posted holiday schedule shall be paid at the rate of one and one-half (1½) times the base hourly straight-time rate for the hour(s) worked outside the employee's posted schedule.

7. In no event shall a full-time regular employee receive more than one and one-half (1½) times the base hourly straight-time rate for hours actually worked on the employee's holiday in addition to payments prescribed in Article 11, Section 3.

EMPLOYEE CLAIMS

MEMORANDUM OF UNDERSTANDING

The U.S. Postal Service and the National Post Office Mail Handlers, Watchmen, Messengers and Group Leaders Division of the Laborers' International Union of North America, AFL-CIO, agree to the following in connection with employee claims filed pursuant to Article 27:

1. A decision letter denying a claim in whole or in part will include notification of the Union's right to appeal the decision to arbitration under Article 15.
2. The regional office will provide to the Union's Regional Representative a copy of the denial letter referenced above, the claim form, and all documentation submitted in connection with the claim.
3. The installation head or designee will provide a copy of the denial letter to the steward whose recommendation is part of the claim form.

The provisions of this Memorandum of Understanding are effective within 60 days of the effective date of the parties' 1984 Agreement and shall expire upon termination of that Agreement.

MEMORANDUM OF UNDERSTANDING

ARTICLE 30, 1984 MAIL HANDLERS NATIONAL AGREEMENT

It is hereby agreed by the United States Postal Service and the National Post Office Mail Handlers, Watchmen, Messengers and Group Leaders Division of the Laborers' International Union of North America, AFL-CIO, that the following procedures will apply to the implementation of Article 30 during the 1984 local implementation period:

1. 1984 local implementation will commence on April 1, 1985, and terminate on April 30, 1985.
2. In the event that any issue(s) remain in dispute at the end of the thirty (30) day local implementation period, the parties shall jointly identify such issue(s) in writing. Initialed copies of this document and copies of all proposals and counterproposals pertinent to the issue(s) in dispute will be furnished by the local Union to the Regional Director, E&LR, of the Employer with copies to the Postmaster and the Union's Regional Representative within fifteen (15) days of the expiration of the local implementation period. Inclusion of any matter in the written statement does not necessarily reflect the agreement of either of the parties that such matter is properly subject to local implementation.
3. The Regional Representatives of the Employer and the Union shall attempt to resolve the matters in dispute within seventy-five (75) days after the expiration of the local implementation period. The Regional Representatives of both the Union and the Employer will have full authority to resolve all issues still in dispute.
4. If the parties are unable to reach agreement at the Regional level by the end of the seventy-five (75) day period provided for above, the issue(s) may be appealed to final and binding arbitration by the National President within twenty-one (21) days after the end of the seventy-five (75) day period.
5. Where there is no agreement and the matter is not referred to the Regional level or to arbitration, the provision(s), if any, of the former Local Memorandum of Understanding shall apply unless inconsistent with or in conflict with the 1984 Mail Handler National Agreement.
6. Where a dispute exists as to whether an item in the former Local Memorandum of Understanding is inconsistent or in conflict with the 1984 Mail Handler National Agreement, such dispute will be processed in accordance with the procedures outlined in 2. through 4. above.

This Memorandum of Understanding expires at 12 midnight July 20, 1987.

LETTER OF INTENT

The parties recognize that Regional Instruction 399 identifies the mail handler craft as the primary craft for the transportation of mail. In this regard, when mail is transported via an elevator, the principle contained in Regional Instruction 399 that the mail handler craft is the primary craft for transportation of mail applies.

Mail Processing Work Assignment Guidelines	2/16/79	399

I. INTRODUCTION

The enclosed "Mail Processing Work Assignment Guidelines," provide primary craft designations relative to the performance of specific mail processing work functions. Compliance with the principles contained therein is mandatory and applicable to the assignment of all categories of employees in the regular work force. These assignment guidelines are to be implemented at all postal installations which perform mail processing, in accordance with the implementation criteria outlined below and consistent with the terms of the 1978 National Agreement.

II. IMPLEMENTATION CRITERIA

A. Efficient and Effective Operation

All actions taken relative to implementation of these guidelines must be consistent with an efficient and effective operation. Consistent with this obligation, no postal installation shall declare employees excess, increase the number of employees and/or increase work hours solely as a result of this instruction.

B. Four (4) Hours Criteria

If there are four (4) or more hours of continuous work consisting of one or more work functions in one or more operations designated to the same primary craft, the performance of the work should be assigned to an employee of that primary craft.

C. Distribution Activities

Where the functions of obtaining empty equipment, obtaining unprocessed mail, loading ledges and sweeping are an integral part of the distribution function and cannot be efficiently separated, the entire operation will be assigned to the primary craft performing the distribution activity.

D. Changes in Duty Assignments

No employee's current duty assignment will be modified by removing functions designated to another primary craft until and unless such duty assignment becomes vacant through attrition. In addition, management may continue to revert or abolish positions no longer needed.

E. Assignment of New and/or Additional Work

Assignment of new or additional work, not previously existing in the installation, shall be made in accordance with the primary craft designations contained in this instruction.

III. IMPLEMENTATION PROCEDURES

A. Responsibilities

Sectional Center Managers will review mail processing operations in installations within their designated MSC areas. This review will include, at a minimum, an examination of the work being performed, current duty assignments and a determination concerning what actions will be necessary to comply with the "Mail Processing Work Assignment Guidelines."

B. Identification of Primary Craft

All post offices with mail processing operations will, based on the primary craft designations, identify:

1. full-time clerk or mail handler duty assignments which are assigned to the inappropriate craft.
2. full-time clerk or mail handler duty assignments which include both clerk and mail handler primary craft functions.
3. work functions performed by part-time flexible clerks and mail handlers.

C. Implementation Plan

Based upon the above identification, each sectional center manager will develop a detailed implementation plan which will contain at a minimum:

1. the number of full-time clerk and mail handler employees.

2. the number, by tour and duties, of full-time clerks and mail handlers:
 - a. with 8 hour assignments in the inappropriate craft.
 - b. whose duty assignments include 4 or more (but less than 8) hours of work in the inappropriate craft.
3. the number of full-time clerk and mail handler vacancies as of January 26, 1979.
4. the number of full-time clerk and mail handler vacancies that are anticipated, by postal quarter, during PQ's III and IV, FY 1979, and FY 1980.
5. the number of clerk and mail handler part-time flexible employees.
6. the number of clerk and mail handler part-time flexible employees, by tour, duties and hours, performing primary craft functions designated to a different craft.
7. actions that will be taken to achieve immediate compliance, and those actions which will require phased implementation.
8. the estimated time frame (as may be necessary) for implementation, including quarterly estimates.
9. any current clerk or mail handler functions not covered in the "Mail Processing Work Assignment Guidelines."

D. Adherence

Each sectional center manager will insure that the following actions, when taken, are consistent with this instruction:

1. Review each vacant full-time clerk and mail handler duty assignment.
2. Establishment of new full-time duty assignments.
3. Accession of clerk and mail handler employees.
4. Scheduling and staffing studies.

E. Reporting Requirements

The management sectional center implementation plan will be forwarded by March 19, 1979, through the District Office to the Regional Director, Mail Processing, who will be responsible for approving the MSC's plan, insuring its timely and effective implementation, and for monitoring performance against the plan. At least once every six months, a designated regional coordinator will review each MSC to determine its progress relative to making proper clerk-mail handler

work assignments. The first review cycle must be completed no later than September 1, 1979, with subsequent regional reviews of MSC performance occurring semi-annually thereafter.
