Dear Mr. Ross:

On March 9, 1984, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question in this grievance is whether part-time flexibles who are assigned to one installation may be used for holiday work while detailed to another postal facility.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

Part-time flexible employees while detailed to another facility may be utilized for holiday work, provided they possess the necessary skills needed to perform the required duties.

Please sign and return the enclosed copy of this letter as our acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Thomas J. Lang
