

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE
UNITED STATES POSTAL SERVICE
AND THE
AMERICAN POSTAL WORKERS UNION, AFL-CIO,
CLERK CRAFT**

Relief and pool assignments, sometimes **called** "flexible relief work cycle" assignments are utilized to cover absences of employees holding regular bid assignments and other situations where the assignment is uncovered. Such relief and pool assignments also enable management to accommodate employee requests for unscheduled leave. It is recognized that the concept of a relief or pool assignment necessarily entails a degree of uncertainty in scheduling employees filling such assignments.

In order **to** minimize this uncertainty, the parties have agreed to the following principles to be applied to the establishment and operation of relief and pool assignments.

1. The Postal Service may establish new or additional relief and pool assignments in any installations. The Postal Service shall consult with the Union before management makes a final decision with respect to the establishment of such assignments in any installations where they do not presently exist.
2. Relief and pool assignment postings will specify the nature of the assignment by enumerating the type and location of assignments to be relieved; e.g.
 "the pool employee will cover absences of window employees assigned to classified stations and branches, as well as main office windows."*

The degree of specificity included may vary with the size of the installation in that in some offices with a large relief pool a particular relief assignment could be limited to a relatively small area **of** coverage, whereas in other offices the nature of the assignment may have to be broader.

3. Relief and pool assignments will have fixed days off, which may be on a rotating basis.
4. Relief and pool assignments will have fixed hours. However, hours of duty may vary from day to day; for example:

Monday	6:00	a.m.	—	2:30 p.m.
Tuesday	9:00	a.m.	—	6:00 p.m.
Wednesday	12:00	noon	—	8:30 p.m.
Thursday	8:30	a.m.	—	5:30 p.m.
Saturday	6:00	a.m.	—	3:00 p.m.

5. An employee holding a relief or pool assignment, as described above, will be paid at the overtime rate for those hours worked which are outside his normal, regularly scheduled work week, except under the following circumstances:

- (a) When management informs the employee that he is to cover an assignment having a schedule different from the relief or pool employee's regular schedule for a period of one week (five working days) **or** longer, the relief or pool employee **will** assume the new schedule and will not receive overtime pay for those hours worked in such new schedule which are out side of his normal regular schedule. However, the relief or pool employee will be entitled to overtime pay for those hours worked outside of his normal, regularly scheduled work week (i) unless and until management informs him **in writing that he is** to work a new schedule for a week or longer, or (ii) if the relief or pool employee in fact works the **new** schedule for less than a week after he is so informed by management; or
- (b) When management tells him to perform functions which predictably occur at the end of an accounting period; e.g., those of Timekeeper or Civil Service Examiner.
