Dear Mr. Dockins:

I am in receipt of the Delivery Unit Optimization Program which was presented as a Management Association Briefing. My records do not reflect that APWU has been informed of the program or provided the power point presentation.

As this program may constitute a new initiative affecting APWU represented employees as referred to in Article 17 of the national agreement, the union insists that we have a voice in the development of the program.

Please respond on this matter to APWU Executive Vice President Cliff Guffey at your earliest convenience.

Sincerely,

**William Burrus**  
**President**
