

No craft employee represented by the APWU may be coerced into furnishing a vehicle or carrying passengers without the employee's consent. The use of a personal vehicle is the decision of the employee and it is not the intent of the parties to discourage such use of personal vehicles when transportation is needed from one postal facility to another or in the completion of the employee's assignment. When an employee begins his/her work day at one postal unit and is provided transportation to another unit to complete his/her tour of duty, that employee will be provided transportation back to the unit where his/her tour began if transportation is needed. If the employee ends tour at the new location the return trip will not be on the clock but transportation will be provided promptly by management upon request.
