Dear Mr. Wilson:

On November 10, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

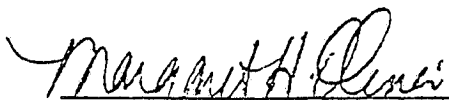

The question raised in this grievance is whether the grievant has been improperly required to use his privately-owned auto for travel between stations to complete the duties of his assignment.

During our discussion, we agreed that the Postal Service does not require as a condition for bidding that a clerical employee use his/her privately-owned automobile to perform official duties.

Accordingly, we agreed to remand this case to Step 3 for application of the above to the fact circumstances involved.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,

Margaret H. Oliver
