Dear Mr. Downes:

This is a follow-up of our recent conversation whereupon I asked if there was an agreement at the national level between the Mailhandlers and the USPS for some sort of a national level committee to meet to discuss matters of jurisdiction related to the two RI 399 memorandums agreed to by the USPS during negotiations in July of 1987. At the time of our discussion you stated that no such committee existed, however when joint training was conducted you committed to jointly review operational diagrams, etc. in order to resolve disputes that may presently exist. The attached correspondence comports with our conversation.

Please advise my office of any action being contemplated in Sioux Falls, South Dakota, by you and Mr. Amma as a result of reviewing the attached narrative.
