Dear Mr. Anderson:

On June 13, 1983, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the 1981 National Agreement.

The question raised in this grievance involved the scheduling of PTF clerks.

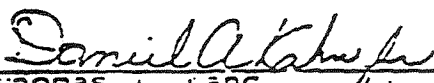

After further review of this matter, we mutually agreed that no national interpretive issue is fairly presented in the particulars evidenced in this case. The determination of PTFS employee's reporting time is not a national interpretive issue.

It was further agreed that if a posted reporting time for PTF employees is subsequently changed, and the employees are properly scheduled no out of schedule obligation is thereby incurred.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to resolve this case.

Time limits at Step 4 were mutually extended.

Sincerely,
