Re: Class Action

Dear Mr. Connors:

This supercedes the Step 4 decision letter dated July 26, 1984.

On August 9, 1984, we met to rediscuss the above-captioned case at the fourth step of the contractual grievance procedure.

The question raised in this grievance involved whether management is required to release attendance records of supervisory personnel when requested by the union.

After further review of this matter, we mutually agreed that no national interpretive issue is fairly presented in the particulars evidenced in this case. We further agreed that if the local union can substantiate that the subject information is relevant to establish disparate treatment, the information requested will be granted. However, this can only be determined after full development of the fact circumstances involved in this case. Therefore, this case is suitable for regional determination.

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for further processing if necessary.

Mr. James Connors
